The Grand Gala - Sponsorship Package

Every day, the Grand Erie District School Board strives to build a culture of learning, well-being and belonging for each student.

We encounter many needs in our community. Fortunately, we can now help bridge these gaps and level the playing field through the Grand Erie Learning Foundation. The Foundation will support Grand Erie students to achieve personal excellence and overcome barriers related to poverty.

The possibilities are endless when we work together to give back and support students who are in need. We would be honoured to have you as a sponsor for this important celebration of community, generosity and belonging.
