Feb. 28	Gr. 3/4 at Shades Mill in Cambridge

Grade 6 French Immersion Students

As you know, the Grade 5 French Immersion students from Burford Elementary School will be joining Paris Central for Grade 6 in September, 2017. I hosted a meeting with the parents of these children in December. At that time, the parents toured the school and learned about how the transition will take place.

In order to make the transition as positive as possible, we will have our current Grade 5 students participate in a few "get acquainted" activities with the Burford students during April and May. The activities that are being considered include face timing, having a pen pal, and having a picnic at Lions Park. We will also consider inviting the parents to one of our School Council meetings so they can meet some Paris Central parents.

Growing Excellence... Inspiring Success

Shining Stars For January

In January, we focused on the character trait of Integrity.

The students who received a Shining Star award were:

Mrs. Ramoutar & Mrs. Sarkissian—Cameron K., Riley W., Ava M., Penny G.

Mrs. DeMarco—Liam B., Josue V.R., Olivia and Addison Z.

Mrs. Stewart—Emily K., Cadence F.

Mrs. Taylor—Kaylee M., Aariz M., Madison B.

Mr. Smith—Olivia S., Sophia M.

Mr. Mallon—Anisa M., Carson B.

Mrs. Sloss—Ella S., Tracy S., Halley S.

The stars enjoyed a pizza lunch with Ms. Lytle on January 17th.

Congratulations to all of our Stars!

TREATS FOR CLASSES

We have students at the school who have peanut and tree nut allergies. To ensure the safety of all students, we are asking that classroom treats not be brought in the school.

The teachers have been allotted monies to spend to provide safe treats for all students in their classes. In this way, the special celebrations can be safely enjoyed by all.

Thank you for your understanding.

A Note From Your School's Public Health Nurse... Avoid School Suspension

All children who are in school, between ages 4 to 17, need to be immunized according to [Ontario's Immunization Schedule](#). Getting immunized protects children from many serious diseases that spread quickly and easily in schools.

To attend school, children need to have proof of immunization against

- Tetanus - Pertussis - Measles - Diphtheria
- Meningitis - Mumps - Polio
- Varicella (children born in 2010 and later) - Rubella

Children who are not fully immunized or have not reported their immunization(s) to the Health Unit may be suspended from school.

What you need to do.... Check with your doctor or the health unit to make sure your child has all the immunizations needed to attend school. If your child has followed [Ontario's Immunization Schedule](#) then they will not be suspended.

Your doctor is not required to report your child's immunizations to the health unit. Reporting to the health unit is the parent's responsibility.

For more information, visit the Brant County Health Unit web site (www.bchu.org) and click on School Vaccine Requirements or call them at 519-753-4937 ext. 451.

Lunch Room Supervisor

We are once again looking for a lunch room supervisor for between 1 and 4 days a week. The time is for 40 minutes from 10:40 to 11:20 and the pay is \$12 per hour.

If you, or someone you know may be interested, please drop by or phone Sharon Lytle at 519 442-4163.
