**DECEMBER CALENDAR**

Dear Parents and Guardians,

December 1<sup>st</sup>, 2017

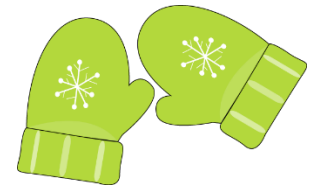

It's that time of year already! Our classroom is filled with fun winter activities for the entire month of December. Be sure to ask your little one all about them! A few updates regarding our learning:

- **Literacy:** We are almost done our phonics series and will be working through the last few letters of the alphabet (z,w,v,y,x,j) before we move on to double letter sounds in the new year.
- **Big Buddies:** Our big buddies will be helping us get organized for our Christmas Concert as well as work with our little ones on pictures summaries for the books they choose to read!
- **Mathematics:** Our math minutes will continue to focus on the numbers 1-5 and all the different ways we see those numbers in play (e.g. tally, ten frame, five frame, pictures, dice, letters, clock, etc.). We will also discuss shapes more in depth this month.
- **Science:** Our science centre will focus on animals that we find in the arctic and will, as usual, follow the interests of our class ☺
- **Music:** Continuing to explore instruments and practice our song for the Christmas Concert!

**Special Announcements**

- **Fundraising:** our class is collecting any crafting materials to go into our basket to be raffled off at the Christmas Concert. Some acceptable items are scissors, felt, pom-poms, beads, yarn, glue, and any other craft supplies that you have in your home that you are willing to donate to the cause! Supplies are due by December 11<sup>th</sup>!
- Please remember that the cold winter months are upon us and your little one needs to be dressed accordingly! Splash pants are a GREAT idea for this time of year when the ground is wet. Your child could be missing out on some crucial outdoor exploration if they are not dressed appropriately.
- Please remember that if you are not already registered for REMIND, all you need to do is provide us with a cell phone number and we can add you directly. REMIND is the only way announcements and classroom updates will be sent home.
