

Dear Parent(s) / Guardian(s)

The past month we have been working on lots of exciting things.

Literacy- We have been working on how to incorporate dialogue into our writing. We recently finished writing our own comics based on two characters from the book series "Elephant and Piggie". The students created their own puppets and acted out the stories that they created.

Math- The past few weeks we have been working on adding and subtracting two digit numbers. We have been learning how to regroup and when we need to do this. This month we will soon be shifting our learning to Data Management. We will be learning how to make graphs, charts and pictographs.

Science- We recently finished our Social Studies unit about Families and Celebrations. The last few weeks we have begun a new Science unit about Solids and Liquids. We will be taking part in a number of experiments this month to investigate these ideas.

Exciting News!

A big congratulations to both of our November winners at our Leader of the Pack Assembly.

Brenden Drennan won our Academic award

Maximus Burke won our Respect award.

Upcoming Dates

Dec.11- Leader of the Pack Assembly

Dec.20- Christmas Concert (11:45am/6:30pm)

Dec.22- Christmas Spirit Day
