

Musselwhite and Hannigan's Kindergarten News

Teacher's Corner

Mrs. Musselwhite & Mrs. Hannigan

Language:

We will continue to focus on a letter of the week for a few more weeks. The SK students have started reading simple CVC words such as cat, dog, top etc., by stretching the word slowly to hear all 3 sounds, with a special focus on listening for the middle vowel sound. After March Break, we will also be introducing "Popcorn Words" and we will send these words home for students to practice. This will mainly be for SK students but JK students will be exposed to these words as well!

The "Snuggle Up and Read" program is going strong and the students are very excited to choose a new book to read at home with you each day! Thank you very much for taking the time to develop and strengthen a love of reading in your child. Each time your child reads to 10, they will receive a fun class coupon which can be redeemed anytime. When they read to 100, they choose a prize!

Letter of the Week Schedule:

Week of March 5: Letter L

Week of March 19: Letter F

Week of March 26: Letter B

Math: Over the past couple months, we have been working on creating patterns. At home, have your child use objects to create an AB or ABC pattern. They have been very creative at school with all of the patterns that they have made. We will now be focusing on shapes—circle, triangle, square, rectangle, hexagon, and oval. We will be looking to see how these shapes are the same and how they are different. We will have various small group activities that will allow students to explore these shapes.

Remind and Mail Bags

PLEASE MAKE SURE YOUR CHILD IS COMING TO SCHOOL EACH DAY WITH THEIR MAILBAG AND COMMUNICATION BOOK!

Feel free to use your child's communication book to write notes or information for us...please leave the book open so we know there is a note for us to read.

As well, we are using the Remind App to communicate any important info for our classroom and school. Please feel free to send a message to Mrs. Musselwhite or Mrs. Hannigan through the Remind App.

If you have not signed up for Remind and would like instructions, please write a note in your child's communication book and we will be sure to get you the info!

Field Trip

We are planning a trip to Richardson's Sugar Bush during this month. Please stay tuned for further details such as the date and time of this trip. We will likely need a few parent volunteers as well. Please remember, you must have a valid police check on file with the office in order to volunteer on school trips. Stay tuned!

Scholastic Orders

Scholastic Orders will be due on March 7th. All book orders help to stock our classroom library with new books for the students to read at school. With the rewards from the January book orders, we were able to get 24 new books for our "Snuggle Up and Read" home-reading program. THANK YOU to those who have ordered!!!
