

Principal's Message

Spring will be here soon and we are looking forward to the longer days. The ups and downs with these late winter temperatures sure has produced a lot of items in our lost and found area. All unclaimed items will be donated to a local agency who can make good use of so many warm clothing items. Please continue to be considerate of others safe access to the rear parking lot when bringing your child to school or picking up your child after school. Some new signs will be going up to increase visibility of right of way for the safe flow of traffic. In an effort to increase safe arrival, I have two student volunteers who will be at the front doors each day to allow student entry between 8:40-8:50. No need for adults to accompany children between these times, as the student volunteers are there to help. There is no need to park your vehicle – simply pull up to the front and your child and my student volunteers will take care of the rest!
