

Musselwhite & Hannigan's Kindergarten News

Teacher's Corner

Mrs. Musselwhite &
Mrs. Hannigan

Classroom Needs: our classroom would greatly appreciate donations of the following items:

- *plastic spoons
- *straws
- *sidewalk chalk
- *craft supplies

Reading at Home: the Reading at Home Program is going strong with many students earning fun coupons. Many students have enjoyed the opportunity to sit in my teacher chair, eat lunch with a friend at our table, and choose their own table spot for the day. Keep building the love of reading by reading each day!

Letter of the Week:

Week of April 3— Review Week: G O U L F B

Week of April 9— Letter Jj

Week of April 16— Letter Zz

Week of April 23— Letter Ww

Week of April 30— Letter Vv

Math: For April, we will be focusing on symmetry and continuing with measurement. As well, we will use different “loose parts” and ten-frames to explore different ways to make 10.

Spring Has Sprung!

The spring season has arrived, and as always, Mother Nature has been sending weather of all kinds our way. It is very important that students come to school prepared for the weather. Rubber boots and splash pants are essential during this time as the playground is very wet and the winds are still strong. Packing extra socks in your child's backpack would also be helpful.

Welcome to Kindergarten

For future Kindergarten students, we will be holding a **Welcome to Kindergarten** session on May 16th, 2018 from 5:30-7:00pm. If you know of anyone in the area who has not yet registered their child, please have them

contact the office to register.

Scholastic Orders

Scholastic Orders continue to build our classroom and reading-at-home libraries.

All orders will be due on: April 11th, 2018

We would also like to welcome Mrs. Chevrier to our classroom! She is an EA and will be working with the class!
