18 Grade 2 Payment and form for movies due
20 Happy Birthday Skyler
21 Victoria Day – No School
22 EQAO starts
25 Hero Day

May

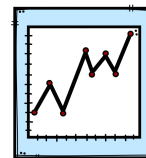

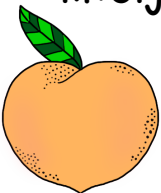

Perseverance

Science: Grade 2's will finish up their animal reports and complete their unit on growth and changes in animals. Grade 3's are wrapping up their unit on growth and changes in plants.

Math: We are working on: 1. graphing (line plots, tallying, bar graphs, pictographs and pie graphs) and 2. probability (certain, likely, unlikely and impossible). We will continue to deepen our understanding of division.

Literacy: We have thoroughly enjoyed reading James and the Giant Peach. We have studied vocabulary, voice, expression, inferences and predictions. We will be wrapping this novel up with a character study and short writing assignment.

We will begin reading "The One and Only Ivan" this month after James and the Giant Peach is completed.
