

Ms. Sevier & Ms. Ciaschini's Kindergarten Class

MAY CALENDAR

Dear Parents and Guardians,

May 1st, 2018

The warm weather is finally here! Hallelujah! I think it is safe to say that we can now put away the snow-pants until next school year. Keep those splash pants handy though, our field is quite muddy. Here is a brief look at our educational plan for the month of May:

- **Literacy:** We are all about sight words and word families. We are using rhyming techniques to help us with identifying word families (e.g. AT word family= sat, cat, bat, fat, etc.)
- **Big Buddies:** Big buddies will be helping us with a variety of literacy activities.
- **Mathematics:** Shapes, shapes, shapes! 2D, 3D, you name it, we are covering it! We are learning to identify various shapes and building them into our daily play.
- **Music:** Now that we have explored sounds of everyday objects, we will be using those objects to create our own pieces and view ourselves as musicians.

Special Announcements

- Please remember that we check the communication bags every day. We try our best to check them in the morning, but some days we may not get to it until the afternoon, so please call the office if your child is leaving early for an appointment. We also send home any newsletters in the communication bags, so if your child is without one, then they will miss out on newsletters. Notifications will go out on REMIND.
- If you want to chat about your child's progress or anything regarding their educational journey this year, feel free to schedule an appointment with us! We are available before school from 8:20-8:50 or after school until 4:15. Please provide us with a minimum of 24 hour notice if you are requesting a meeting.
