

May News

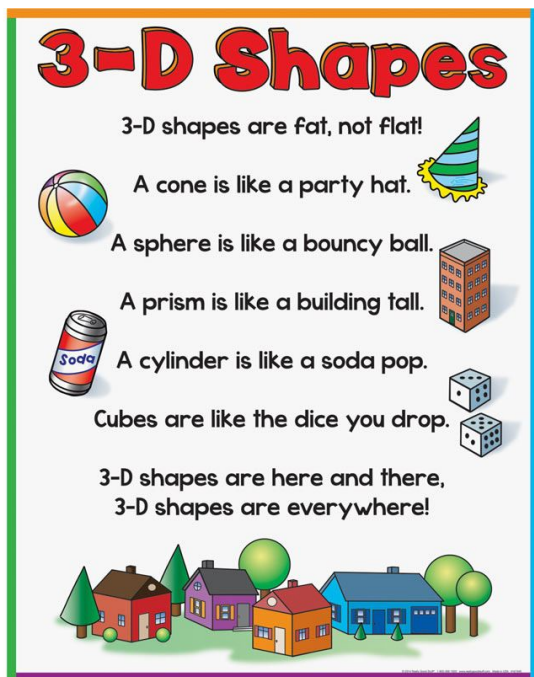

Welcome Back Mrs. Card

Miss Meeuswe's last day will be Friday May 4th
We will be having a class party on Friday to celebrate her last day. Mrs. Card will be returning from maternity leave on Monday May 7th and is excited to get to know the class.

What We Will Be Learning

Math 2D & 3D Shapes

We will be working on recognizing, sorting, and comparing 2D & 3D shapes. In class we plan to compose pictures and build structures using 2D and 3D shapes. You can help your child by looking for them in your house or in the community.

Math Language

*We will be using the words *always*, *sometimes* and *never* and *likely* and *unlikely* to discuss the probability of familiar events

Health

We will continue to be talking about healthy eating and recognizing foods from all the food groups.

Community Walks

This month we will be taking a walk every Friday afternoon to learn more about our community. We will be role playing, talking, and writing about our community walks.

Literacy

We will continue to work on recognizing all the letters, sounds, and words for each letter/sound.

We will continue to match words that rhyme, and start or end with the same sound.

Senior Kindergartens will continue to work on writing simple sentences using capitals, spaces between words, and periods correctly.

Junior Kindergartens will continue to work on sounding out simple words.

If you have any questions or concerns please do not hesitate to write a note in your child's agenda or speak with myself before or after school.

Sincerely,

Mrs. Stewart
