

# Musselwhite & Hannigan's Kindergarten News

## Teacher's Corner

Mrs. Musselwhite & Mrs. Hannigan

**Classroom Donations:** Thank you very much to all who have generously contributed to our classroom over the year! We would greatly appreciate any donations of sidewalk chalk, bubbles, empty toilet paper rolls, plastic straws, spoons, and plastic grocery bags

**Track and Field:** The annual school track and field days are coming up later this month. This is for junior and intermediate students, however, the primary students often spend a portion of their day cheering on the older students.

**Language:** We will be finishing up our last couple of letters this month. We continue to learn how letters and sounds combine to make simple consonant-vowel-consonant words such as cat, pig, pen etc. Our journal writing continues. The reading at home continues to be going strong, with many students reading to 100 and beyond! Please continue to send the reading folders back to school daily. We will wrap up our reading folders at the beginning of June.

**Math:** We are wrapping up our work with measurement. The students greatly enjoyed measuring various items around the classroom! We will now focus on composing and decomposing numbers to 10. Playing board games with dice at home is a great way to practice numbers.

## We are Going on a Trip!!!

Your Kindergarten team has been working out the details for our year end trip and we are excited to share with you that we will be heading to Zippy Zoom's Indoor Playground! Stay tuned for more information to come your way!

## Reminders:

Please do not send students to school with toys from home. We do not want personal belongings to go missing, get broken, or stolen. They can sometimes become a distraction during class time as well.

We are back to getting outside more often during the day. Please make sure your child has an extra set of clothes at school, just in case!
