

A DAY OF NEW BEGINNINGS

WHO WILL BE THERE?

All grade 8 students from the local Grand Erie Elementary Schools.

WHAT WILL I BE DOING?

You will enjoy a day of fun interactive activities throughout the day and a special guest speaker brought to you by our Student Success Department. All the fun activities will be led by our Student Council and various students from throughout the school.

WHAT SHOULD I WEAR?

Do not wear any clothes that may be damaged. The morning is spent outside participating in activities that might get you dirty. Example: Tug of War.

Participation is voluntary and can be determined prior to the day you arrive with your grade 8 teacher. We encourage everyone to have a turn. For each challenge there must be 3 girls and 3 boys participating.

You will find that the more you participate the more fun the day will be. You will get to meet some new people and friends from the other schools.

WHERE WILL I BE?

The day will be spent at Dunnville Secondary School and weather permitting we will be running our interschool challenges at Lions Park across the street from the school.

WHY IS THIS EVENT IMPORTANT?

This day is a fun activity day that helps students transition in high school with their peers. They will be able to meet new people, interact with senior student leaders and be a part of school life here at Dunnville secondary School. Students will be able to hear messages that inspire curiosity, celebrate possibility and spark change, themes that resonate through our school every day.
