

# Musselwhite & Hannigan's Kindergarten News

## Teacher's Corner

Mrs. Musselwhite & Mrs. Hannigan

**Classroom News:** Thank you very much to all who have generously contributed to our classroom over the year! Thank you for being such an important part of your child's learning throughout the year!

**Outdoor Learning:** We continue to provide the students with opportunities to take their learning outdoors. In the past couple of weeks we have spent larger amounts of time outside and we will continue to do so throughout the month of June! With blocks, animals, books, whiteboards, water play, journals, and paint centre, the students are really enjoying the weather. Please send your child to school daily with sunscreen, hat, and a water bottle.

**Language:** We will continue to learn sight words (popcorn words) that often need to be recognized from memory as they are difficult to sound out. We will also be working on some concepts of print. When reading with your child, ask them things like:

- \*Where is the title?
- \*Can you show me where we start to read?
- \*What direction do we read?
- \*Can you find a letter? A word?
- \*How many words are in this sentence?

**Math:** Over the next couple of weeks, the students will be practicing many number sense skills by playing a variety of games. The students will also be working on printing numbers correctly and facing the right direction.

## Kindergarten Celebration

**June 27th**

The kindergarten celebration is fast approaching. We are aiming to start at 2:00pm in the gym. Each kindergarten class will do a short song or poem and then return to the classrooms. You are invited to come back to the classroom to collect items, take work home, and enjoy a freezie. We hope you can join us in this celebration.

## Have A Great Summer!

I would like to thank you all for a great year! Our classroom program could not run without your continuous support and we are truly thankful to every member of our Kindergarten community! We hope the summer brings you adventures! Explore, observe, learn, and stay safe!!!!

## Craft Corner

As Father's Day quickly approaches, the students will begin their top secret work on this year's gift for all of the dads!

## Have a wonderful summer!
