# June

Wow, I can't believe it is June. This has been a fantastic year and I have LOVED this class. It is full of personality and I will miss them over the summer. I hope you all enjoy your time off to rest, play and laugh. Make memories, read some books and don't forget what you've learned this year. I will see you all in September!

Parents:

It has been my pleasure teaching your child. Thank you for sharing them this year with me. I now hand them back to you for two months – have a safe and happy summer break!
