

June News

Ms. Good – Grade 1

“Everyday is a great day to learn something new.”

Math

We will be having fun with probability this month. Students will be exploring the idea of certain, impossible, likely and unlikely through games and other activities.

Over the summer, playing games like WAR, GO Ten, Trouble, Snakes and Ladders, Monopoly and Yahtzee are a fun way to sneak in some math!

Language

We will be reviewing all of the reading strategies that we have been introduced to this year. Over the summer, students are encouraged to find time every day to read! A good book can take you a great, new place. The library offers a great collection of books, as well as children’s programming.

Also, RAZ Kids accounts should remain active over the summer, so students are encouraged to continue to use their account to practice their reading this way as well.

Odds & Ends

- ✓ Follow us on Twitter: @grade1_tces
- ✓ Students have access to RAZ Kids at home.
www.kidsa-z.com
Teacher Username: mshirton
- ✓ Hats for Hospital
- ✓ June 6th - Movie Trip
- ✓ June 25th – Children’s Museum Trip
- ✓ June 26th – Year End Assembly
- ✓ June 28th – last day of school

At the beginning of June, reading books will stop coming home. This gives me time to organize books before the end of the year, and gives students a chance to return any books that might be lying around the house. Students are encouraged to use RAZ-Kids to practice reading.

Please check around the house for library books that are outstanding and need to be returned. If you find any classroom books from reading bags, please return those too.
