

Monday June 4/18

Here we are in our last month of school already, where does the time go? For me this is a bitter sweet month as I am retiring June 30<sup>th</sup>. I have been looking forward to my last newsletter, my last set of report cards and my last day,

however, I will miss so much about your children. I will miss when they greet me after a weekend with excitement and sometimes a hug. I will miss hearing when they finally, "GET IT." I will miss the stories and the laughter. I have so much to be thankful for. I have been grateful for your support and understanding as I have had surgery and a minor procedure this year. I have appreciated your interaction and I hope you continue to be involved in your child's future education.

The following is a list of what is happening around Thompson Creek during the month of June. It is a busy one.
