Mrs. Kimberly Pelich - Grade 3/4

## Welcome Back!

Another school year is upon us and I am excited to share it with you and your child! It is a pleasure to watch them learn and grow over the course of the year. We will have so much fun this year! Please feel free to contact me anytime. Agendas are the easiest and quickest way for small notes such as appointments or alternate pick ups at the end of the day. Emails are great for questions or family updates. If any concerns arise I ask that you please call to discuss or arrange a time to come in and talk. I will not discuss any behavior or academic concerns via email. These situations are best handled in person.
