

SUCCESS for Every Student

GRAND ERIE
**Welcome to
SECONDARY SCHOOL**

Your Choice in Education

Grand Erie secondary schools prepare students for their future through:

- Strong Values
- Academic Excellence
- More Programs, More Choices
- Safe and Inclusive Environments
- Great Extra-Curricular Activities

The Grand Erie District School Board recognizes that transition from elementary to secondary school is a time of uncertainty and opportunity. To ensure *SUCCESS* for Every Student, it is our goal to support and prepare students by providing programs and experiences within a caring and inclusive learning environment.

Making the transition from elementary to secondary school is a big step for both students and parents/guardians. This publication will help to provide useful information for a smooth transition.

Multi-Year Plan 2016-20

In 2016, Grand Erie approved a new five-year strategic direction to guide the work the school board is doing. At the centre of this plan is *Success for Every Student*.

Grand Erie will achieve *Success for Every Student* through a focus on students and staff in a culture of high expectations. The six indicators that will support Grand Erie’s Multi-Year Plan are: Achievement, Well-Being, Equity, Environment, Technology and Community.

Strong Values

In Grand Erie, our values align with our character attributes. We believe these values contribute to the overall success and well-being of our students.

STUDENT VOICE

Student voice is important. There are many opportunities in secondary school and at the Board level for student voices to be heard. Students can join a committee that promotes local and global awareness or participate in student voice projects. Student Council also provides a great opportunity to be heard.

STUDENT TRUSTEES

Three Student Trustees sit at the Board table to represent Grand Erie students. Find your Student Trustee representatives, as well as a complete list of the Board of Trustees, at granderie.ca

Character Attributes

Compassion

- Demonstrate kindness, care and thoughtfulness.
- Empathize with others.

Cooperation

- Recognize and appreciate how you and others contribute to the overall effort and success of your organization or group.
- Recognize contributions, applaud effort and work.

Humility

- Be humble and recognize your limitations.
- Strive for mutual benefit.

Inclusiveness

- Create an environment where we honour differences and diversity.
- Be fair and equitable.

Integrity

- Be honest, sincere, trustworthy and reliable.
- Ensure actions and words align.

Perseverance

- Act with courage, tenacity, determination and with a commitment to hard work.
- Never give up.
- Believe in yourself and try your best.

Respect

- Treat yourself, others and the environment with dignity.

Responsibility

- Be accountable to yourself, family and friends.
- Share, give and volunteer in your community.
- Be dependable.

Academic Excellence

Academic excellence is achieved when students take ownership of their learning and graduate. Each student will take a different path in how they get there.

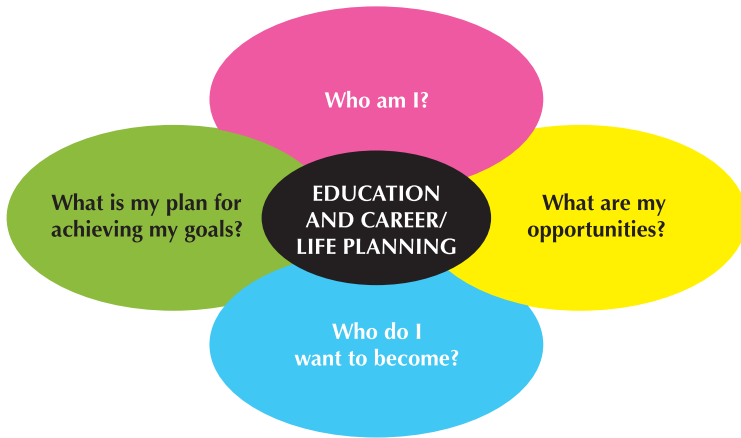

In Grand Erie, all pathways are equally valued. When students are active participants in their own learning, there is the opportunity to experience academic excellence.

Preparing for Your Future

Secondary school is a time to prepare for your education and career life plan.

STUDENTS SHOULD ASK THEMSELVES:

Check out each school's Course Calendar and the Career Cruising portfolio available under the Secondary tab at granderie.ca

Destinations

APPRENTICESHIP

Consists of a combination of on-the-job training and classroom instruction

COLLEGE

Offers programs in Applied Arts, Business, Health and Human Services, Manufacturing and Technology

INDEPENDENT LIVING

Collaborate with families to provide opportunities for students with disabilities to transition to community participation

UNIVERSITY

Offers undergraduate, graduate and professional degrees in a variety of areas

WORKPLACE

Opportunities exist in many sectors offering employment following graduation

Individual Pathways Plan

An Individual Pathways Plan (IPP) is required for all secondary school students in Ontario. The IPP helps students develop the knowledge and skills to make informed education and career/life choices.

Students use Career Cruising, an easy to use web-based tool to create and update their IPP as well as create a personal portfolio. Career Cruising features resume building tools along with information on specific careers, colleges, apprenticeships, university programs and job searches. The IPP is the primary planning tool for students as they move through the grades towards their post-secondary destination, and a valuable archive of their career and life planning.

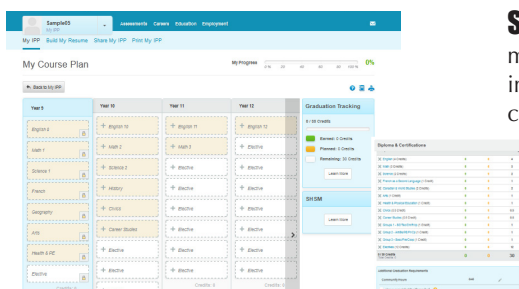

All secondary school students use Career Cruising to pick their courses for the next academic year. Some Grade 8 students will be able to do their course selections through Career Cruising this year.

STEP 1: Login to Career Cruising: www.careercruising.com Grade 7 and 8 students are provided with a username and password from their teacher. Once you login, go to your IPP page. Your portfolio will be the basis of your pathways plan.

STEP 2: Begin your pathways plan by exploring careers. You can use either the Career Matchmaker, or the Explore Careers features. Remember to save careers of interest to your portfolio, and check out the School Subjects feature to see which careers a particular subject might lead to.

STEP 3: Use the Course Planner page to map courses that you might like to take while in secondary school, including additional certification requirements.

Course Types

ACADEMIC COURSES

Academic Courses are suited to students who are comfortable with theoretical concepts and enjoy solving problems by applying what they have learned.

Students in Academic Courses generally:

- Like to work independently
- Enjoy understanding the 'why'
- Learn from a variety of sources
- Think creatively and like to problem solve
- Develop ideas from research

Academic Courses (D) - Lead to Apprenticeship, University Prep, College Prep or Workplace

SPECIAL EDUCATION COURSES

Special Education Courses allow students to focus on functional life skills and/or job readiness skills within schools that have a self-contained special education setting. Expectations are individualized for students who have a variety of strengths and needs. In some cases, these courses can be preparation for participation in Locally Developed Compulsory Courses.

Special Education Courses (K) - May lead to a Certificate of Accomplishment, support work/living, and in some cases, an Ontario Secondary School Certificate

LOCALLY DEVELOPED COURSES

Locally Developed Courses are designed for students who have specific-learning needs and require more direction in the classroom. Students will learn essential and practical concepts of a subject.

Students in Locally Developed Courses generally:

- Learn by doing (practical applications)
- Benefit from additional reinforcements of concepts
- Enjoy a variety of activities

Locally Developed Compulsory Courses (L) - Lead to Apprenticeship, workplace or to Applied Courses and then to College Prep

OPEN COURSES

Open Courses allow students to learn concepts and skills designed to prepare them for further study in the subject area. Generally the optional courses (drama, music, art, French, business studies) are offered in open courses. Expectations are created for all students and these students can have a variety of learning skills.

Open Courses (O) - All students take Open (general) courses e.g. Physical Education and Technological Studies

APPLIED COURSES

Applied Courses teach students using real-life ideas and offer the chance to apply what they have learned to the work around them.

Students in Applied Courses generally:

- Learn by doing
- Enjoy discussion
- See connections to real life
- Develop new ideas from reading
- Share ideas and apply them to their own lives

Applied Courses (P) - Lead to Apprenticeship, College Prep or Workplace

Do I choose Applied, Academic, or Locally Developed?

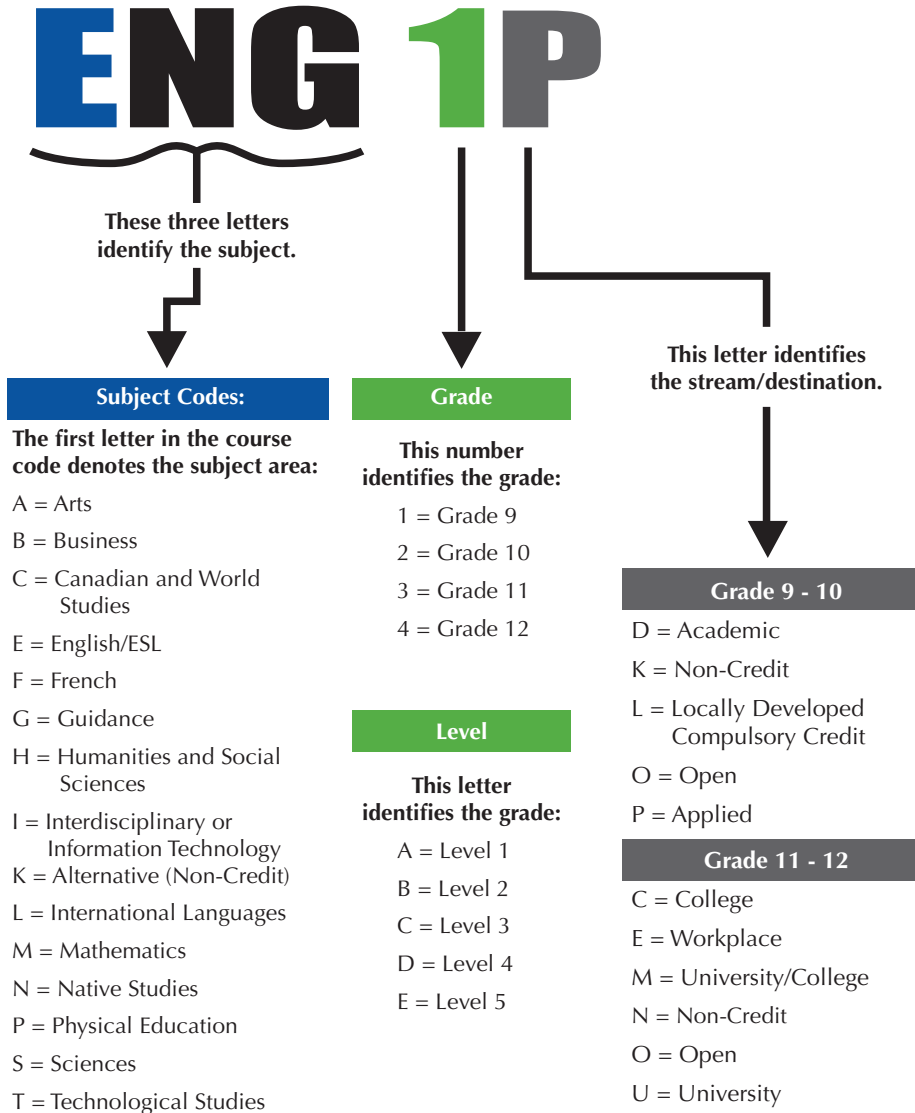

It is important students select Grade 9 courses based on their strengths and interests. Being successful in all Grade 9 courses will give students more pathway choices as they progress through secondary school.

Decoding a Course Code

Every subject is identified by a common course code. The code consists of five mandated characters and a sixth character for school use.

Every course in secondary school has a unique COURSE CODE.

All courses have the first five characters as mandated by the Ministry of Education.

What you Need to Graduate

ONTARIO SECONDARY SCHOOL COURSE DIPLOMA (OSSD)

Students will earn an OSSD by completing a minimum of 30 credits, including 18 compulsory credits, as well as fulfilling the literacy and community involvement requirements.

ONTARIO SECONDARY SCHOOL CERTIFICATE (OSSC)

Students may be granted an OSSC by earning a minimum of 14 credits, including seven compulsory credits.

CERTIFICATE OF ACCOMPLISHMENT

Students who are leaving secondary school upon reaching the age of twenty-one without having met the requirements for the OSSD or the OSSC Course may be granted this certificate. It may be a useful means of recognizing achievement for students who plan to find employment directly or access community supports after leaving school.

COMPULSORY CREDITS (TOTAL OF 18)

4 credits in English (1 credit per grade)

- The Ontario Secondary School Literacy Course (OSSLC) may be used to meet either the Grade 11 or the Grade 12 English compulsory credit requirement.
- The Grade 11 Contemporary Aboriginal Voices course may be used to meet the Grade 11 English compulsory credit requirement.
- For English language learners, the requirement may be met through earning a maximum of 3 credits in English as a second language (ESL) or English literacy development (ELD); the fourth credit must be a Grade 12 compulsory English course.

3 credits in math (at least 1 credit in Grade 11 or 12)

2 credits in science

1 credit in the arts

- The Grade 9 Expressing Aboriginal Cultures course may be used to meet the compulsory credit requirement in the arts.

1 credit in Canadian geography (Grade 9)

1 credit in Canadian history (Grade 10)

1 credit in French as a second language

- Students who have taken Native languages in place of French as a second language in elementary school may use a Level 1 or 2 Native language course to meet the compulsory credit requirement for French as a second language.

1 credit in health and physical education

0.5 credit in career studies

0.5 credit in civics

3 additional credits, consisting of 1 credit from each of the following groups:

Group 1: English (including the Ontario Secondary School Literacy Course), French as a second language, classical languages, international languages, Native languages, Canadian and world studies, Native studies, social sciences and humanities, guidance and career education, cooperative education

Group 2: French as a second language, the arts, business studies, health and physical education, cooperative education

Group 3: French as a second language, science (Grade 11 or 12), computer studies, technological education, cooperative education

Note: The following conditions apply to selections from the above three groups:

- A maximum of 2 credits in French as a second language may count as additional compulsory credits, 1 credit from Group 1, and 1 credit from either Group 2 or Group 3.
- A maximum of 2 credits in cooperative education may count as additional compulsory credits, selected from any of Groups 1, 2, or 3.

OPTIONAL/ELECTIVE CREDITS

Students can earn 12 optional credits. These credits may be earned in all subjects provided the electives are additional to the compulsory credits. The elective credits allow for either concentration in a curriculum area of special interest or exploration of other areas of interest.

GRADE 9 ASSESSMENT OF MATHEMATICS

All students working toward a credit in Grade 9 Academic or Applied Mathematics are required to participate. These tests are administered by the Education Quality Assessment Office (EQAO) and evaluate how well students are meeting the curriculum expectations.

GRADE 10 - ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT)

All students must successfully complete this test which is administered by EQAO. Students will write this test in the spring of their Grade 10 year. Unsuccessful candidates will be given the opportunity for remediation at the school and through the Ontario Secondary School Literacy Course and will be able to rewrite the test.

40 HOURS OF COMMUNITY INVOLVEMENT

Students must volunteer forty hours of unpaid community involvement as a requirement for graduation. Grade 8 graduates can begin to earn their community involvement hours the summer before secondary school begins. *Not required for OSSC or Certificate of Accomplishment.

What's a pathway?

A pathway is a combination of courses that lead to graduation and to a post-secondary destination: Apprenticeship, College, University, Independent Living or the Workplace.

This chart outlines a list of possible compulsory courses required for each grade level. Please refer to Page 11 for other graduation requirements.

Grade 9	Grade 10	Grade 11	Grade 12
English	English	English	English
Math	Math	Math	
Science	Science	<i>*Shaded boxes are for optional/elective credits.</i>	
Geography	History		
French or Native Language	Careers & Civics		

Timetable

A timetable is a schedule of a student’s courses and lunch break. It outlines the time, room number, and teacher for each course.

HOW DO I READ A TIMETABLE?

1

8:55 a.m. to 10:10 a.m.

2

10:17 a.m. to 11:32 a.m.

3

12:23 p.m. to 1:38 p.m.

4

1:45 p.m. to 3:00 p.m.

Class time:
75 minutes

Homeroom Period:
In some schools
Period 1 is longer to
allow for morning
announcements

Period	Day/Week 1	Day/Week 2
1 8:55 a.m. to 10:10 a.m.	TIJ1O - Exploring Technologies Mr. Eelkema 141	MFM1P - Foundations of Mathematics Ms. Yanover 240
2 10:17 a.m. to 11:32 a.m.	PPL1O - Healthy Active Living Education Mr. DiPelino Gym A	SNC1P - Science Mr. Tice 126
3 12:23 p.m. to 1:38 p.m.	SNC1P - Science Mr. Tice 126	TIJ1O - Exploring Technologies Mr. Eelkema 141
4 1:45 p.m. to 3:00 p.m.	MFM1P - Foundations of Mathematics Ms. Yanover 240	PPL1O - Healthy Active Living Education Mr. DiPelino Gym A

MFM1P = Course Code

Computer code for the subject

Foundations of Mathematics = Subject Credit

Students take four credits in each semester

Ms. Yanover = Teacher’s Name

240 = Location

Homework Help

Homework is part of the secondary school experience. Keeping on top of homework and assignments, as well as using good time management skills, will allow time for extra-curriculars, a part-time job or other family responsibilities. Setting aside time to study for tests and exams is also very important.

Mathify connects grade 7-10 students to free online after school math tutoring with Ontario certified math teachers. The added personalized learning helps to ensure your students fully comprehend the math concepts taught in class.

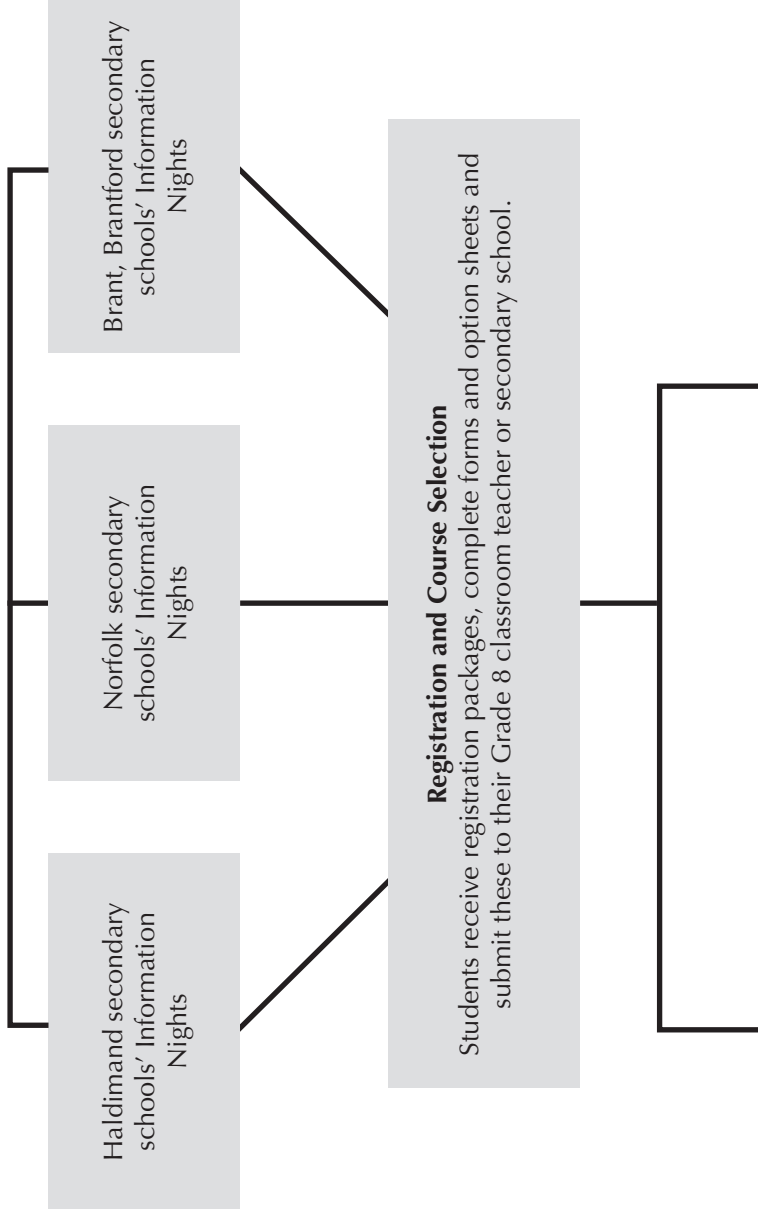

Homework support is available for Six Nations students, Grade 7-12, at Six Nations Polytechnic. Six Nations Homework Support is open Monday to Thursday, 6:00 p.m. to 8:45 p.m.

After school homework help is available to students at their home school two to three days a week by a certified Ontario teacher from October to June. Ask the school's Guidance department for more details.

Sample Secondary school Application Process

**Future Grade 9 Student and Parent Information Nights
held in secondary schools across the Board**

Secondary schools verify registration.

Placement decisions for students who will be moving to a self-contained program in their Grade 9 year will be determined by the Board's Special Education Department in consultation with parents.

Students can pick-up their timetables and complete other necessary forms at the end of August. Pre-registration dates for secondary schools will be posted on the Board website.

Where applicable, elementary learning resource teachers and/or self-contained classroom teachers schedule transition visits (May/June) if students are entering a self-contained program at a Grand Erie secondary school.

If students are eligible for transportation to a Grand Erie secondary school, parents can login to the transportation website at stsbhn.ca Schedules are posted in mid-August.

Students attending a self-contained program at a Grand Erie secondary school are eligible for transportation.

More Programs, More Choices

Grand Erie offers something for everyone. Our secondary schools provide a wide variety of programs to support all students. Students can experience a range of unique, innovative learning opportunities within an area of interest to them. These programs offer choice and opportunity.

Technology is a common tool that is used regardless of the program. Through Grand Erie's Educational Technology Initiative, students take advantage of tablets and learn in a 21st Century environment to support their education.

THE STEP PROGRAM (STUDENT TRANSITION EXPERIENCE PROGRAM)

The STEP program is designed to engage students by ensuring that their individualized strengths, needs and interests are addressed in an alternative setting within the school.

The program provides students with the opportunity to earn credits, engage in experiential learning activities, explore career opportunities, and develop pathway plans and personal life management skills.

For more information, contact your school's Guidance Counsellor.

EXPERIENTIAL LEARNING

Job Shadowing...

allows a student to spend time observing a worker in a specific occupation (i.e. Take Your Kid to Work Day).

Job Twinning...

allows a student to observe a co-operative education student in his or her placement.

Co-operative Education (co-op)...

courses combine classroom learning with planned work experience within the local community.

Benefits of Job Shadowing, Job Twinning and Co-op

- Be enrolled in secondary school while observing the world of work
- Observe and develop workplace essential skills for apprenticeship and employment
- Obtain a broader range of career information through observation
- Observe and be instructed in health and safety procedures in the workplace
- Experience the world of work
- Learn more about themselves and work in a specific occupation

ONTARIO YOUTH APPRENTICESHIP PROGRAM (OYAP)

OYAP enables students who are 16 years of age or older to meet diploma requirements while participating in an occupation requiring on-the-job training.

The Benefits of OYAP

- Gain a head start towards a chosen career
- Ease the transition from school to the work place
- Increase opportunities for post-secondary training and employment
- Earn work experience hours in addition to secondary school credits
- Develop general and specialized job skills
- Understand employer expectations

SPECIALIST HIGH SKILLS MAJORS (SHSM)

A Specialist High Skills Major (SHSM) allows you to customize secondary school to fit your career interests. Grand Erie District School Board, in conjunction with Ontario Ministry of Education, offers SHSM programs to secondary school students. Students enrolled in an SHSM are required to complete a bundle of classroom courses, workplace experiences and sector certificates to receive a special designation on their Ontario Secondary School Diploma.

eLEARNING

Virtual courses are often called eLearning courses. eLearning courses use a virtual classroom and are accessed by a computer, tablet, or smart phone. eLearning provides opportunities for students to be able to access courses they might not be able to take in a face-to-face class. To register for an eLearning course you must see your Guidance Counsellor.

ADVANCED PLACEMENT (AP) AND PRE-AP

The Advanced Placement Program allows students to pursue university level studies while still attending secondary school. Interested students may wish to write the standardized AP exam in the course(s) offered. Students have an opportunity to receive advanced credit at many universities across Canada, the United States, and around the World.

A Pre-AP program (via enhanced classes/clubs) may be offered to allow students the time to expand and enhance their understanding of the subject material while still meeting the requirements of the Ontario Curriculum. For more information, please talk to the Guidance department at the secondary school you are attending.

SUMMER SCHOOL REACH AHEAD COURSES

Reach ahead opportunities are available to Grade 8 students who wish to acquire a secondary school credit prior to their official enrolment. Summer school registration information will be available at [**granderie.ca**](http://granderie.ca).

Specialized Programs Summary Chart

Secondary School	Specialist High Skills Major	Specialized Programs / Other Programs
Brantford Collegiate Institute & Vocational School	Arts & Culture, Health & Wellness, Manufacturing	Laurier Program, French Immersion
Cayuga Secondary School	Construction, Manufacturing, Transportation	Dual Credit
Delhi District Secondary School		Dual Credit
Dunnville Secondary School	Construction, Health and Wellness, Transportation, Manufacturing	Dual Credit

Simcoe Composite School	Information & Communications Technology, Transportation	AP, On Track
Tollgate Technological Skills Centre	Hospitality & Tourism, Transportation, Health & Wellness, Construction	Magnet Program, Dual Credit, STEP
Valley Heights Secondary School	Transportation & Manufacturing	Pathfinders, Dual Credit, STEP
Waterford District High School	Construction, Health & Wellness, Environment	Dual Credit

Safe and Inclusive Environments

Grand Erie provides a positive, safe and accepting place for students to learn. All students, parents, and members of the school community are welcomed and respected.

Every student is supported and inspired to succeed in a culture of high expectations for learning.

Equity and Inclusive Education

Grand Erie secondary school staff believe equity and inclusive education is the foundation for excellence. A student performs better when they feel safe and respected and that they belong regardless of race, colour, creed, sexual orientation and ethnicity within our communities.

Expressions of racial, religious or ethno-cultural intolerance or bias in any form will not be tolerated. Homophobic remarks or derogatory statements in reference to sexual gender identity are also not tolerated in Grand Erie.

Celebrations of equity and inclusiveness are shared in Grand Erie's Days of Significance Calendar located in the Calendar section at **granderie.ca**.

Visit the Equity and Inclusive Education section under the Secondary tab at **granderie.ca**

Indigenous Education

Grand Erie District School Board recognizes the importance of school success for all students including all First Nations, Métis and Inuit ancestry students. Our dedicated staff members are committed to providing services and programs for Indigenous students attending school in our Board.

VOLUNTARY INDIGENOUS STUDENT SELF-IDENTIFICATION PROCESS

A student may self-identify through the Voluntary Indigenous Student Self-identification Process. This process is a way to advise the Grand Erie District School Board that a student is of First Nations, Métis and Inuit ancestry. A student may self-identity at any time. Obtain a form at your school or download a form from the Indigenous Education section under the Secondary tab at **granderie.ca**.

Bully-Free Schools

STAND UP AGAINST BULLYING!

Bullying is never tolerated on the school grounds or online. All students deserve to be safe and to feel safe in school. Safety is an essential element in ensuring each student reaches his or her full potential.

Check out the Board's ***Code of Digital Citizenship*** to learn more about how students can protect themselves and how they can be respectful online.

Incidents of bullying should be reported to a caring adult in the school immediately. Students may also wish to contact ***Kids Help Phone***.

Kids Help Phone: Counsellors are available 24-7
1-800-668-6868 • www.kidshelpphone.ca

Visit the Safe Schools section under the Secondary tab at **granderie.ca**

Special Education

One of the most important priorities is to help students with special education needs make the successful transition from elementary to secondary school. If a student has special education needs, their Individual Education Plan (IEP) follows the student to secondary school.

Arrangements will be made by the student's teacher of the elementary self-contained class or the Learning Resource Teacher (LRT) to meet with the parent, student and a member of the secondary school staff to plan for the transition and to ensure any required supports are in place.

Self-Contained Classrooms

Smaller, differentiated special education classrooms taught by teachers with special education qualifications are available to students with special education needs (e.g. Autism, Intellectual Disabilities, Multi-Handicapped). Students are taught an alternative curriculum with a focus on the development of job readiness and life skills. There may be opportunities to integrate into credit courses in strength areas. Attention is given to the transition to adult services and community integration. These classes are appropriate for students who attended self-contained classrooms in elementary school or who have been assessed and identified as exceptional students with significant special education needs. Students may graduate with either an Ontario Secondary School Certificate (OSSC) or with a Certificate of Accomplishment. Different types of classes are offered in different schools. Placements are determined by the Special Education Department in consultation with parents.

Transportation

Grand Erie is a member of the transportation consortium, Student Transportation Services Brant Haldimand Norfolk (STSBHN). This consortium provides transportation to students who meet the home to school distances and to students where transportation is a necessity.

Bus operators continue to provide a safe ride for students during their secondary school years. Walking distances to a secondary school from home is 3.2 km.

To find the bus route for the start of Grade 9, students and parents can login to the transportation portal at **stsbhn.ca**. Schedules are posted each year in mid-August.

For more information call **519-751-7532** or visit **stsbhn.ca**

Grand Erie Mental Health Strategy

Grand Erie is committed to promoting and supporting the well-being of all students. The Grand Erie Mental Health Strategy focuses on three key pillars: Mental Health Literacy, Mental Health Intervention and Wellness and Resiliency.

When a student feels mentally and physically healthy, they can best participate in all of the great parts of

secondary school. Students will have opportunities to learn the skills and strategies that promotes positive mental health and well-being through a variety of initiatives happening in schools.

There is support for students struggling with mental health problems. A Guidance Counsellor can speak with students and help connect them with professionals in the Board and/or the community.

Visit the Well-Being section under the Secondary tab at granderie.ca

Great Extra-Curricular Activities

Sports, clubs and activities related to the Arts are an important part of school life in Grand Erie. Opportunities are available at the secondary level for students to get involved in extra-curricular activities.

Whether a student is interested in sports or the Arts, there are a wide variety of activities offered in each Grand Erie secondary school.

Extra-Curricular Activities

Grand Erie is a proud member of the Central Western Ontario Secondary Schools Association (CWOSSA); the Southern Ontario Secondary Schools Athletic Association (SOSSA); and the Ontario Federation of School Athletic Associations (OFSAA).

Examples of great extra-curricular activities include:

- Intramurals and Sports
- Eco Clubs and programs
- Spirit Events
- French Clubs
- Indigenous Student Associations
- Students' Council
- Social Justice Clubs
- Cheerleading
- Fairs and Festivals

Managing Time

With so many extra-curriculars to choose from, using time effectively is an important skill. Encouraging students to get into better time-management habits now lays the foundation for good habits later in life.

Attendance

Attending school is compulsory. Absences make it difficult for students to keep up with lessons and strong attendance is encouraged. A letter or phone call from a parent/guardian must be submitted to the office to explain any absence.

Secondary Schools

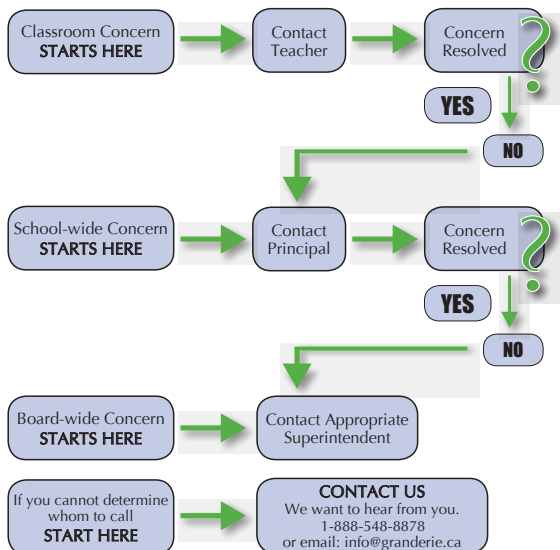

HOW PARENTS/GUARDIANS CAN HELP

- Encourage your child to attend school regularly and arrive to class on time
- Encourage your child to complete and submit all assignments and homework for evaluation
- Encourage your child to use an agenda daily for keeping track of all due dates and to manage time effectively
- Communicate and plan with school personnel regarding strategies for regular attendance
- Discuss any homework and progress concerns with the subject teacher
- Monitor your child's use of their agenda and support them in developing time management and organizational routines

Trustees

Trustees are officials elected or appointed to serve parents, students and taxpayers. Community members are the link between communities and the school Board. Trustees ensure that Grand Erie schools meet the diverse needs of students in their respective communities. Among other duties, Trustees make policies, approve the budget, and appoint the Director of Education.

Board Meetings and Committee of the Whole Meetings are held Monday nights at 7:15 p.m. at the Education Centre, 349 Erie Avenue, Brantford, ON.

Find your local Trustee and a complete schedule of Board Meetings under the About tab at granderie.ca
