EDMODO – JUST A CLICK AWAY

We continue to remind our students to check-in with our classroom Edmodo app to keep up to date with all things Grade 7 and 8. Students are encouraged to focus primarily on the calendar (within the app) to plan and prepare for upcoming tests, assignments, and field trips. Parents might also benefit from taking a peek in order to strengthen the home and school bond.

What can my son/daughter practice at home?

When it comes to math in our classrooms, students are asked to support their learning through use of <https://ca.ixl.com/signin/granderie>.

On this site, students can practice and refine their skills within the given strands of math currently being focused on during instructional time.

Burning Questions

Q: When is Grade Eight Graduation?

A: Graduation is scheduled for the evening of Monday, June 24th at the W. Ross McDonald School Auditorium

Q: Is a year-end trip in the works for Grade Seven Students?

A: Like in past years, Grade 7 students can expect a trip to the Niagara Region to support the History curriculum and the War of 1812.
