

Kindergarten Connections - April 2019

What we are Learning

Thank you for all the recyclable materials that were brought in. The students are designing and creating 3D pets. They are learning the names of the 3D shapes they are using in their construction and they are having fun playing an eye spy game where they describe the attributes of these shapes to their friends.

Trip

We are planning a year end trip to Safari Niagara on June 12th. We will need lots of parent volunteers for this trip. Permission forms and cost information will be sent home toward the end of April. A special thanks to the Parent Group for Trip Assist funds that will greatly reduce the cost of this trip.

Kindergarten Orientation

Kindergarten orientation will take place on Wednesday, May 15th from 4:00pm to 5:00pm. This orientation is for new students who will be joining our James Hillier Kindergarten classes for the first time in September. New students will have a chance to see the Kindergarten classrooms, meet the Kindergarten teachers and ECEs and explore some fun activities too!

Read Aloud Program

Each child who returns a sheet with the names of the books they've read at the end of the month will be allowed to choose a small prize.
