Swimming:

Swimming continues to be an anticipated activity each week. The staff are also enjoying watching the progress of the swimming skills and cooperation of the boys. The outings will continue until the last week of school.

Novel Study: We have finished our Pay It Forward Novel Study and will not be moving forward with the third novel study due to time constraints. I hope that the message of random acts of kindness has made an impact on the students.

Math:

We are moving into our final math units, examining probability first, followed by money. Both units contain elements of real-world applications to draw experience from in their learning.

James Hillier Fun Fair:

The School Council at James Hillier puts on an amazing Fun Fair every June. There are lots of games and prizes to enjoy as well as good food to eat. This year the Fun Fair is on Monday, June 10th from 4:30 to 7:00. We hope you are able to come ☺
