Grade 9 Parent Night at North Park

Wednesday, September 16, 2015 | 6:30 p.m.

Contact: Phil Midgley, Principal, 519-759-2560

Parents of children who are in Grade 9 will have a chance to meet their teachers through an interactive session that models their child's timetable. Starting with a general assembly at 6:30 p.m., Principal Midgley will address how students can be successful in High School followed by greetings from the School Council Chair who will talk about the important role for parents. Parents will then go through the evening following their child's timetable. Student volunteers will be on hand to help parents find their classes.

Elementary Students Learn Arabic, Mandarin, Polish, Punjabi and Urdu

Classes begin this week (Schedule here: <http://bit.ly/1KiaU83>) | We will be pleased to connect media with a student and their family involved in the program.

Contact: Scott Johnson, Principal of GELA, 519-753-6079

A new program offered this year to elementary students entering JK through Grade 8, the Heritage Language program aims to reach children who wish to develop and maintain the ability to speak, listen, read and write a new language, or in the language of their heritage. This program enhances students' connection with their heritage and improves communication skills in their language of choice. It strengthens cognitive development through the knowledge of an additional language. Students also receive opportunities to learn and experience another culture. Provides opportunities to learn and experience another culture.

Mustang Day at BCI

Friday, September 18, 2015 | All day

Contact: Ann Myhal, Principal, 519-759-3210

Formerly Escapade Day held in May, Mustang Day is not held in early September to generate community and school spirit. Activities will be held throughout the day and the Seniors and Juniors will also play Football.

Live Different Assembly at BCI

Wednesday, September 16 | 9:30 a.m. – 10:30 a.m.

Contact: Ann Myhal, Principal, 519-759-3210

Live Different is a highly motivational presentation series by people who believe that a changed heart can change the world. BCI students in Grade 9 and 10 will be inspired to hear from this group. In addition, a North Park Collegiate Grad will be performing for the first time; he is a cancer survivor.

Paris District High School Hosts the Grade 9 Parent & Student Night

Wednesday, September 16, 2015 | 6:00 p.m. – 8:00 p.m.

Parents join the school staff in the gym to go over the great things that are happening at Paris this year. The school's CISS leaders will be there to help the Grade 9's and parents make their way through the school and

visit their classrooms. The focus on the evening will be to have parents participate and get to know the curricular information.

Motivational Speaker, Ian Tyson, Visits Paris District High School

Thursday, September 17, 2015 | Period 2

Since his very first show in 1989, Ian Tyson has strived to entertain and inspire people across North America with his unique brand of "Comedy with a Message". Ian's passion is always on full display during his presentations, with high energy, humor and heart-warming relatable stories of overcoming obstacles and making a difference in the lives of others. Ian will motivate and inspire students at Paris District High School as they begin their school year.
