Grand Erie is partnering with local not-for-profit groups this week to provide hired students to join their youth staff leaders/counsellors at established March Break camp programs.

Focus on Youth is a Ministry of Education funded program that allows Grand Erie to provide employment opportunities for youth, with a focus on hiring and supporting the employment experiences of ‘at-risk’ youth.

The goal of Focus on Youth is to provide greater access to high quality programs for children and youth in our community. Focus on Youth provides learning, leadership and employment opportunities for youth and offers free use of school space for children and youth based programming.
