Literacy Calendar

Date	Activity
Monday, April 6	Using as many of these words as you can, create a poem: Spring, buds, mud, tulips, eggs, green, mild, puddles.
Tuesday, April 7	Design a new package for their favourite toy or food – include pictures and words.
Wednesday, April 8	Write instructions that can be used to tell someone how to do something like brush their teeth, directions to school from home, or a sports skill.
Thursday, April 9	Story starter to finish. Could make it so one child starts and then another child adds to it and so on. Each person should write at least (5) sentences. When the last person adds to the story. The story is read out loud, each person reading the part they wrote.
Friday, April 10	Make a list of 10 things that make you happy. Choose 3 to explain why they make you happy.
Saturday, April 11	Create a news story that answers all these questions: who, what, where, when, why and how.
Sunday, April 12	Read a poem and illustrate a picture that describes what the poem is about.

Numeracy Calendar

Date	Activity
Monday, April 6	Skip count by 3's from 1 to 100. What patterns do you see?
Tuesday, April 7	Gather 3 store receipts. Round to the nearest dollar. Find the total amount that was spent.
Wednesday, April 8	What time is it now? Write down the time. What time will it be in 30 minutes? What time was it 20 minutes ago?
Thursday, April 9	How many quarters make \$5.00? How many dimes? Nickels? Do you notice any patterns? Record.
Friday, April 10	Create a symmetrical picture using: triangles, squares, circles and/or trapezoids. Draw the line of symmetry. Create another.
Saturday, April 11	How much less than 252 is 136? Show how you got your answer.
Sunday, April 12	Name or show 5 different ways to make \$2.75.

DPA/Outdoor Learning

Date	Activity
Monday, April 6	Stand Up: Sit on the ground back to back with a partner with your knees bent and elbows linked. Now stand up together! Try it in threes and fours, too.
Tuesday, April 7	My Neighborhood: Create a model of your neighborhood using paper and other found materials. Don't forget to add labels to name the items in your model (i.e. 'My house,' 'Park,' 'The Mailbox,' etc.)
Wednesday, April 8	Making Mud Pies: Collect dirt and outdoor materials from nature. In a bake dish or metal pie plate, create a mud pie by adding some water to the dirt. Use other objects found in nature to decorate your mud pie. You'll need: water, soil/dirt, sticks, an old mixing spoon, a towel/rag, and natural items such as rocks, shells, leaves, grass, and flowers.
Thursday, April 9	Indoor Basketball: All you need is a bucket and a rolled-up sock (or a small, light ball). Each player takes a turn at throwing the sock-ball into the bucket. When a player scores, they must take a step back and throw again until they miss. The player who shoots the ball in the bucket from the farthest distance wins.
Friday, April 10	Hanging Sight Words: Write out common words (i.e. 'said,' 'little,' 'that,' etc.) on index cards. Then tape streamers/string at varying lengths from a doorway. Tape the index cards to the end of the streamers/strings. Jump up, grab the word, and yell it out while pulling the word off! Source: simpleplayideas.com/hanging-sight-words

DPA/Outdoor Learning

Date

Activity

**Saturday,
April 11**

Backyard Obstacle Course: Use materials found in your home and yard to create an obstacle course to challenge your skills. Time yourself and see if you can move through the course faster with more practice.

**Sunday,
April 12**

Hopscotch

Draw a hopscotch design on the ground.

Throw a flat stone or similar object (small beanbag, shell, button, plastic toy) to land on square one.

Hop through the squares, skipping the one you have your marker on.

Pick up the marker on your way back.

Pass the marker on to the next person.
