**HALDIMAND & NORFOLK**

**Mind Over Metal at Valley Heights Secondary School**

Friday, May 26, 2017 | 10:30 a.m.

In its second year, VHSS has once again invited guests to celebrate the Mind Over Metal camp for the grade 8 students from Langton School. This event is sponsored by the Canadian Welding Association provides training, machinery and funding for the program. Mind over Metal camps are designed to encourage welding and get the next generation of welding professionals engaged at a young age. They complete several projects and learn about welding and the different career paths in a safe environment.
