Boundary Reviews

Board Received: June 27, 2022

Review Date: September 2026

Responsibility: Superintendent of Business

Objective:

The Grand Erie District School Board believes in delivering equitable and effective program offerings in environments across its jurisdiction that enhance learning opportunities and well-being for students. The Board conducts boundary reviews in an effort to optimize utilization of schools in circumstances of increasing and/or declining enrolment.

Policy Statement:

Grand Erie is committed to a transparent boundary review process which incorporates consultation for decision-making so that affected communities have a clear understanding of the process and the type of consultation that will occur. Boundary reviews are conducted by the school board to review the projection enrolment for a school or a family of schools due to changes in student enrolment, program demands, new school construction, new housing development or other factors. The Board will approve boundary review studies and final recommendations resulting from the study.

The boundary review process can be initiated by either the Board or Senior Administration.
