Notes from the Office

Please remember to call the school when your child will be absent or late. Our answering machine is available to take your call 24hrs a day! **Student agendas:** Your child will receive an agenda. It's a great way to communicate with your child's teacher and support staff. While there is no charge for these, there is a cost to the school and a donation of \$5.00 would help reduce some of this cost.

Cashless Banking: Our school will be switching over to cashless banking this year! More details to follow once we are ready to role it out. **Parent Council:** We welcome back Ian and Laura Fletcher as our chairs! Come out to meet your Parent Council and sign up to be part of this amazing team at our Welcome Back Open House Monday September 11th at 430. Our first fundraising event will be apple pies. Pie making and pick up will take place Oct 4th. **Current Information Sheet and other forms:** This information is what we use to call parents and guardians for sick or injured students. Please check that **all** the information is accurate and up to date. Please return these forms by *Wednesday, September 13, 2017*.

Insurance Declaration: It is important that families indicate that they have proper insurance coverage for their children on the Insurance Declaration form that has been sent home. Students will not be allowed to participate in certain class trips if they are not properly insured. If you are in need of coverage for your children one suggestion is to purchase some through insuremykids.com

School Closure Grandview Central is still slated to close at the end of this school year. If you would like to be involved in the committee that is working on our open house in April, please contact *Suzanne Austin at 905-774-6150*

Gator Staff
