Mo Brigade is back at Walter Gretzky Elementary School

Month of November | Anytime

Robert Hull, Grade 6 teacher at Walter Gretzky Elementary School is once again leading the Mo Brigade at his school. His class is focused on men's mental health as it relates to a recent KIDS program they just completed. In addition to the students learning about men's health and mental health – and how women can support men's health and improve their own health in the process - they are doing Move Mondays during the month. The grades 6-8 students will have a have a November dance at the end of the month.
