Category II	Approval	Timeline
All skating trips	Principal, and Superintendent of Education	One month Prior to Trip

All students, staff and volunteers who are on a skating or hockey trip must ensure that they must wear a CSA approved hockey helmet while on the ice. Full face masks are required for participation in hockey instructional program, games or scrimmages. Bicycle or snowboarding helmets are not an appropriate helmet for skating or hockey activities.

CSA Approved Hockey Helmets

Helmets Not Permitted

Winter Package - Skiing/Snowboarding/Tubing Category II

In-province, departing and returning on the same day, involving activities of increased inherent risk. Please follow all Category II requirements.

Category II	Approval	Timeline
Skiing, Snowboarding, Tubing Trips at participating Ontario Snow Resorts Association (OSRA) facilities	Principal, and Superintendent of Education	One month Prior to Trip

1. Supervision Ratio

- 1.1 Principals and staff are responsible for the students' safety orientation.
- 1.2 Teachers are expected to be responsible for ensuring that there is "in the area" supervision at all times. Refer to OPHEA definition.
- 1.3 Supervisors must be experienced in the activities being permitted. Supervisors must receive written instructions on their supervisory duties from the teacher in charge and attend an orientation meeting at the resort.

2. Responsibilities

- 2.1 Review OSRA listing of member resorts to ensure that the resort is an approved OSRA member. Visit www.skiontario.ca. Scheduled trips to resorts must undertake the classification and lesson component.
- 2.2 For non-English/French speaking parents/guardians, refer to the OSBIE Ski Package and use of a multi-lingual cover page to ensure there is a clear understanding of the risks, safety rules and use of consent forms.
- 2.3 All trips that include ski/snowboarding must adhere the OSBIE [School Board/Snow Resort Safety Guidelines for Out-Of-School Trips for Winter Sports Education Programs](#).
- 2.4 Appropriate and CSA approved snow sport helmets (ski or snow board helmet) are mandatory for snowboarding, downhill skiing, and tubing for all students, staff and volunteers. Bicycle helmets are not an appropriate helmet for these activities.
- 2.5 An assessment of the students' abilities by a visual assessment of performance must be completed. For all non-skiers/snowboards and/or beginners must have lessons before permitted on trails.
- 2.6 For Extra-Curricular activities please refer to AM-08 (ie. Hockey teams)

3. Insurance

- 3.1 For all ski/snowboard/tubing trips, please follow Category II Insurance requirements.
