

Caledonia Centennial Updates & Reminders - October 5

Professional Development Day - October 6

This is a reminder that Tuesday, October 6 is a professional development day. Staff will participate in activities aimed at providing specialized services to our students. Parents are reminded that students do **not** attend school on this day.

Important Forms and Updates to Student Profiles

Important forms have been placed on our SchoolCash Online platform. Parents need to complete and update these forms. Of particular note, is the **insurance form**. While parents are never required to purchase this insurance, they must acknowledge the form and express their desire not to purchase. Students may not attend school trips or participate in clubs/ teams, without this acknowledgement. It is always our goal to include as many students in activities and events as possible.

Hot Lunches and Treats

We are excited to offer pizza lunches every Wednesday, beginning October 7! Our School Advisory Council will also host hot dog and pasta days, with the first hot dog day taking place on Thursday, October 15. New this year, families can purchase delicious chocolate chip cookies from Nan's Cookies, a certified Indigenous business located on the Six Nations of the Grand River. All items can be ordered through SchoolCash Online. Proceeds will help reduce the cost of school trips and support classroom equipment and school events. Thank you for supporting our students, our school, and the wider community!

Grade 7 & 8 Immunizations

Grand Erie Public Health will attend Caledonia Centennial Public School on OCTOBER 28, 2026, to offer publicly funded hepatitis B, human papillomavirus (HPV), and meningococcal (Men-C-ACYW) vaccines to Grade 7 and 8 students. Notices were sent out on September 22 through SchoolMessenger to Grade 7 and 8 families. Parents are asked to reference their email for this day, and ensure that they acknowledge the letter, or go to the following link to provide consent: <https://gephprod.powerappsportals.com/school-consent/>.

Parents or caregivers must complete a form for each registered student to confirm if you DO or DO NOT want your child to receive these vaccines during the school clinic. Please ensure you complete the form at your earliest convenience and no later than three days prior to their clinic date, which in this case is OCTOBER 25, 2026.

School Picture Day - Thursday, October 8 Retake Day - Friday, November 13
