**Objective**

The Grand Erie District School Board (Grand Erie) believes in delivering equitable and effective program offerings in environments across its jurisdiction that enhance learning opportunities and well-being for students. The board conducts boundary reviews in an effort to optimize utilization of schools in circumstances of increasing and/or declining enrolment.

**Policy Statement**

Grand Erie is committed to a transparent boundary review process which incorporates consultation for decision-making so that affected communities have a clear understanding of the process and the type of consultation that will occur. Boundary reviews are conducted by the board to review the projected enrolment for a school or a family of schools due to changes in student enrolment, program demands, new school construction, new housing development or other factors. The Board of Trustees will approve [the commencement of a boundary review process studies](#) and final recommendations resulting from the [study review](#).

The boundary review process can be initiated by either the Board of Trustees or Senior Administration.
