Superintendent Responsible: Superintendent of Education	Initial Effective Date: 2021/02/22
Last Updated: 2023/06/08	Next Review Date: 2025/06/13

Purpose:

To outline how the Grand Erie District School Board (Grand Erie) will support the distribution of materials that create awareness of educational programs, services, issues, events, and community activities of specific interest or benefit to the school community.

Guiding Principles:

- 1.0 Materials that are distributed to students must conform to the requirements of the *Education Act* (Reg 298 section 24).
- 2.0 There must be no political, sectarian or religious materials on school property or in school buildings without the consent of the Director of Education and Secretary of the Board or designate.
- 3.0 Materials will not be accepted from profit-making businesses (with the exception of materials from school-sanctioned fundraising campaigns approved by the Administrator(s)). Schools may work with profit-making businesses as part of a community partnership.
- 4.0 Materials must relate to learning, well-being or belonging in its purpose, create awareness of appropriate issues or events in the community or facilitate community discussions.
- 5.0 Materials will not reference political parties, make political statements, contain personal views on social issues, or have the potential to exploit students.
- 6.0 Materials may be digital, verbal, posted within school buildings or distributed in written form.
- 7.0 Should Administrator(s) have any questions about the administration, operation or implementation process, the Administrator(s) must contact their Family of Schools Superintendent and/or Manager of Communications and Community Relations.

1.0 Approval Process

- 1.1 All distribution requests must be submitted to flyers@granderie.ca.
- 1.2 The Communications and Community Relations department will review the request within five business days of receipt of the request. If required, the Director of Education and Secretary of the Board or designate will be consulted to make a final decision.
- 1.3 The Communications and Community Relations department will determine if other existing agreements (e.g., Joint Use Facilities Agreement) supersede the requirements of this approvals process.
- 1.4 If approved, the information will be shared as deemed appropriate by the Manager of Communications and Community Relations, in consultation, as required, with Superintendent(s). Material will often be posted on the Grand Erie website under the appropriate heading according to regions: Grand Erie region; Brant; Brantford; Haldimand; or Norfolk or emailed directly to schools if requested. The Communications and Community Relations department will determine appropriate time for removal of postings.

- 1.5 At the school level, Administrator(s) may be approached directly from an outside organization. Grand Erie authorizes Administrator(s) to determine which advertising may be posted or distributed within their respective schools if such advertising had been previously approved. Administrator(s) must ensure that students are protected from unnecessary commercial advertising. Administrator(s) may consult with School Council regarding the appropriateness of a particular advertisement.
- 1.6 Administrator(s), as needed, must exercise full control over the place, kind, manner or fastening, and size of the material.
