

PROCEDURE

HR-018

PROGRESSIVE DISCIPLINE

Superintendent Responsible: Superintendent of Human Resources	Initial Effective Date: 2020/05/25
Last Updated: 2022/04/25	Next Review Date: 2026/04/15

Purpose:

To outline how inappropriate conduct by Grand Erie District School Board (Grand Erie) employees will be addressed.

Guiding Principles:

Grand Erie recognizes that its employees carry out their responsibilities in a co-operative and professional manner. However, there may be occasions when an employee's behaviour is inappropriate. When necessary, this progressive discipline procedure can assist Administrator(s)/immediate Supervisor(s) to respond effectively and consistently to assist the employee to correct the behaviour.

1.0 Definition

Progressive discipline is a series of increasingly serious steps, ranging from a verbal warning up to, and including, termination of employment that an Administrator(s)/immediate Supervisor(s) may impose as a consequence of and in order to correct, unacceptable behaviour or conduct.

2.0 Letter to Counsel an Employee(s) and/or to Clarify Expectations

This option is not considered part of the discipline process but is available to Administrator(s)/immediate Supervisor(s) to clarify expectations in order to correct some behaviour or activity. In the case of a relatively minor infraction (i.e., infrequent lateness, incident of poor judgement), this option can be utilized prior to initiating progressive discipline, in order to attempt to correct inappropriate behaviour. The Administrator(s)/immediate Supervisor(s) is required to meet with the employee(s) in order to discuss the concerns, to outline expectations for appropriate behaviour and to give the employee(s) an opportunity to respond. Since this discussion is non-disciplinary in nature, there is no requirement to provide 24 hours' notice of the meeting. The meeting may take place as required. The employee(s) is to be advised that they are welcome to have union representation at this meeting, if they wish. The discussion at the meeting is later confirmed in writing and the letter is then placed in the employee's personnel file in Human Resources. All letters must be approved by the Superintendent of Human Resources, or designate, prior to release to the employee(s). A sample letter follows on the next page. Note that the type of employee(s) conduct that initiated a letter to counsel and/or to clarify expectations may warrant administering discipline in the future.

Dear Name:

This letter confirms information discussed in our meeting held on <date>, regarding the fact that you have been late on two recent occasions. In addition to you and me, your Federation representative, <name>, and <name> Administrator, were in attendance.

The meeting was held to discuss the fact that you were late arriving at school on two occasions last week – May 14 and May 17, 20__.

In accordance with the Board's Procedure HR103 – Duties and Expectations of Teachers and *Education Act* Regulation 298, Section 20(d), you are required to have your classroom ready for the reception of pupils at least fifteen minutes before the commencement of classes in the morning.

In our meeting, you indicated that you were prepared to ensure that you arrived on time in the future.

This letter clarifying expectations is non-disciplinary in nature and will be placed in your personnel file in Human Resources.

3.0 Evaluation vs Discipline

- 3.1. Most often, an important distinction can be made between cases of evaluation (competency) and discipline (behaviour - usually referring to specific incidents where rules and commonly understood expectations of Grand Erie are not followed)
- 3.2. Administrator(s)/immediate Supervisor(s) are responsible for evaluating the performance of their employee(s). Performance appraisals speak to the issues of competency and capability. The recourse available for performance-related matters is as outlined in Grand Erie's performance appraisal documents for employees. However, Administrator(s)/immediate Supervisor(s) should contact their Superintendent and, in consultation with the Superintendent of Human Resources, or designate, may exercise discretion, in some circumstances, to discipline employee(s) for performance-related concerns using this Procedure.
- 3.3. If there has been a breach of rules or a pattern of inappropriate behaviour or an inappropriate incident, the proper course of action is 'progressive discipline', or dismissal in serious cases of misconduct. Refer to the Ministry of Education Policy and Program Memorandum No. 128 (Appendix A) and the Ontario College of Teachers Standards of Practice and Ethical Standards (www.oct.ca). Examples of such conduct may include, but are not limited to:
neglect of duty
 - Missing timelines
 - Non-compliance with Acts and/or Regulations
 - Insubordination
 - Safety violations
 - Unprofessional behaviour/actions to others, etc.Any disciplinary action taken will be in accordance with the provisions of the applicable collective agreement. Administrator(s)/immediate Supervisor(s) must be able to demonstrate 'just cause' in imposing discipline.

4.0 Purpose

Progressive discipline is an important management responsibility. It is a serious action and one which has a direct impact on employee(s) morale and the workplace. Discipline (except for dismissal) is designed to allow employees to correct, improve or change their conduct before serious discipline or termination is required. Ideally it will result in an employee(s) fulfilling expected job duties. In some situations, when inappropriate behaviour is corrected quickly and fairly, it often serves to deter others from similar behaviour. By clearly communicating expectations, Grand Erie can accomplish its objective of maintaining consistent behaviour and an effective workforce across the school system.

5.0 Additional Information

- 5.1. It is essential to treat the employee(s) with respect and dignity when conducting progressive discipline. The following actions are expected when working with an employee(s) who has exhibited inappropriate behaviour that requires discipline:
 - The employee(s) is informed of the issues/concerns in a confidential manner
 - Clarification is provided regarding expectations
 - Guidelines, examples and/or corrective plans are provided
 - Employee(s) is reminded of their right to have union representation
 - 24 hours notice of meetings is provided
 - Relevant documentation is put in the employee's personnel file
- 5.2. Progressive discipline ensures that there is a record of the discipline process that may ultimately support a dismissal for just cause, if necessary. There are only a few situations in employment law that may constitute just cause for dismissal without the accompanying need for progressive discipline. These

situations are very fact specific. In all cases, the appropriate Superintendent and the Superintendent of Human Resources, or designate, must be informed immediately.

- 5.3. As agents of Grand Erie, Administrator(s)/immediate Supervisor(s) are required to respond appropriately to unacceptable behaviour in a timely and consistent manner.

6.0 Conducting an Investigation

- 6.1. Whenever allegations of inappropriate behaviour arise, including issues of criminal conduct, Administrator(s)/immediate Supervisor(s) have an obligation to carry out a complete investigation before considering any disciplinary action. Administrator(s)/immediate Supervisor(s) should proceed as follows:

- Act on the allegation and investigate in a timely fashion
- Refer to Appendix B for guidelines to be used when conducting an investigation - interviewing witnesses, preparing for the interview, conducting the interview, taking notes and reaching a conclusion
- Consult with the appropriate Superintendent and the Superintendent of Human Resources, or designate, prior to conducting the investigation and prior to making any decision as to the outcome of the investigation
- If the Children's Aid Society and/or Police is involved, it is essential that the investigation, consultation and coordination of the investigation occur in collaboration with the appropriate Superintendent to ensure that appropriate protocols are followed

- 6.2. There may be circumstances which require the re-assignment of the employee(s) during the investigation process. Such re-assignment pending the investigation is not disciplinary in nature. This should only be done through the support of the appropriate Superintendent and the Superintendent of Human Resources or designate.

7.0 Factors to Consider

- 7.1. The following factors are to be considered when determining the action to be taken:

- Was the occurrence an isolated incident?
- Is this a first time as opposed to a repeated occurrence?
- Was the employee's action provoked?
- Was the employee(s) aware of the standard or rule that was broken?
- Were students and/or other employee(s) affected?
- Was student and/or employee(s) safety compromised?
- Does the employee(s) have documented health problems that may have affected the behaviour?
- Is the employee's past record good?
- Did the employee(s) apologize or otherwise express regret?
- Are there any compassionate grounds, such as family problems?
- Were drugs/alcohol involved?
- Has management imposed progressive discipline in the past?
- Did management obtain the employee's explanation?
- Did management follow discipline provisions contained in the collective agreement?
- What is the employee's length of service?
- Does the employee have rehabilitative potential?

- 7.2. When the record of the employee(s) is being used to justify the more severe steps of progressive discipline, there must be material contained in the employee's personnel file in Human Resources, such as written reprimands and/or notices of prior disciplinary action. The employee(s) must be aware of the information on file and must have been informed of the disciplinary action.

Offences for which no discipline was imposed cannot be used for this purpose.

8.0 Steps of Progressive Discipline

Although each case must be assessed individually to determine the frequency, severity and/or nature of the issue/concern and the stage at which the discipline will be initiated, the required steps of progressive discipline are described below. Where a beginning point, or next step is in question, the Administrator(s)/immediate Supervisor(s), their Superintendent and the Superintendent of Human Resources, or designate, in collaboration, will determine direction. Nothing in this document precludes an Administrator(s)/immediate Supervisor(s) from informal verbal reminders as part of daily supervision duties. Refer to Appendix C for a flowchart of the progressive discipline process.

8.1. Verbal Warning

In the case of a relatively minor infraction, employees should be given a verbal warning. This discussion occurs between the Administrator(s)/immediate Supervisor(s) and the employee(s) as soon as possible after the infraction and subsequent investigation have occurred. The Administrator(s)/immediate Supervisor(s) should proceed as follows:

- Provide the employee(s) with the opportunity to have union representation and provide 24 hours notice of any meeting that may involve possible disciplinary action
- Provide the employee(s) with a brief outline of the nature of the meeting (i.e. to discuss a parental/caregiver complaint). It is strongly recommended however, the Administrator(s)/immediate Supervisor(s) does not engage in a discussion regarding the content of the meeting itself
- The Administrator(s)/immediate Supervisor(s) must have another Administrator(s)/immediate Supervisor(s), Superintendent or Human Resources personnel accompany them to the meeting
- The meeting serves as a basis for discussion, clarification and validation of the concerns and/or expectations. Because new information may be presented at the meeting, it is important that a verbal warning not be given until the conclusion of the meeting, if necessary, and that the letter (written confirmation in writing) not be drafted until after the meeting has occurred. At the conclusion of the meeting, if the Administrator(s)/immediate Supervisor(s) is considering disciplinary action, the employee(s) must be informed of this and that written confirmation will be forthcoming
- At the meeting, the Administrator(s)/immediate Supervisor(s) must be very clear regarding the nature of the concern, why the behaviour is a concern, what the expectations are with regard to behaviour and issue the discipline in the form of a verbal warning
- All notes taken during the meeting must be stored in a secure location only accessible by the Administrator(s)/immediate Supervisor(s)
- The Administrator(s)/immediate Supervisor(s) must consult with their Superintendent, as well as the Superintendent of Human Resources, or designate, in order that consistency can be maintained
- If a verbal warning is given at the conclusion of the meeting, or further disciplinary action is to be taken, the Administrator(s)/immediate Supervisor(s) must prepare the letter immediately following the meeting using the sample letter format on the following page. Drafts of all completed letters must be approved by the Superintendent of Human Resources, or designate, prior to release to the employee
- After the meeting, and once all the facts are known, a letter is prepared using the following format. A sample letter is on the following page
 - *Introduction*
 - Confirmation of the meeting date/time and who attended
 - Identification of the event or behaviour (i.e., date/time/place)

- *Body of Letter*
 - The nature/seriousness of the concern
 - Why the behaviour is a concern
 - Reference to any related prior recorded disciplinary action
 - What the expectations are with regard to behaviour (quote related Acts, Regulations, etc.)
- *Conclusion*
 - That this behaviour warrants discipline in the form of a verbal warning
 - Warning that “future incidents of this nature may lead to further discipline, up to and including dismissal” Copy the letter to the “Human Resources File” and send a photocopy of the letter, on letterhead, signed by the Administrator(s)/immediate Supervisor(s), to Human Resources for filing in the employee’s personnel file

Depending on the nature of the infraction, an employee(s) may receive more than one verbal warning for the same type of behaviour. This determination is made in consultation with the appropriate Superintendent and the Superintendent of Human Resources or designate.

SAMPLE LETTER OF DISCIPLINE
(confirmation of verbal warning)

Date

<Name>
<School/Address>

Dear <Name>:

This letter confirms information we discussed in our meeting held on <date>, regarding your late arrival to work. This discussion occurred in the presence of your Federation representative, <name>, and <name>, Administrator(s).

The meeting was held to discuss your late arrival to school on February 6. This was after we had met and discussed your late arrival on two previous occasions in October and December, 20__ when your students were unsupervised awaiting your arrival. Your continued lateness is unacceptable and this behaviour must be corrected.

As I have indicated to you, your late arrival does not allow for you to receive your students in a professional and appropriate manner. In accordance with the Board's Procedure HR103 – Duties and Expectations of Teachers *Education Act* Regulation 298, Section 20(d), you are required to have your classroom ready for the reception of pupils at least fifteen minutes before the commencement of classes in the morning.

This behaviour is of concern and serious enough to warrant discipline. This letter is confirmation of a verbal warning given to you in the meeting and will be placed in your personnel file in Human Resources. Future incidents of this nature may lead to further discipline, up to and including dismissal.

Yours truly,

<name>
Administrator

8.2. **Written Warning**

If the behaviour does not improve, or if an employee commits another, or more serious infraction, the Administrator(s)/immediate Supervisor(s) must meet with the employee(s) and issue a formal written warning. The Administrator(s)/immediate Supervisor(s) should proceed as follows:

- Contact their Superintendent, as well as the Superintendent of Human Resources, or designate, prior to the meeting, in order that consistency can be maintained
- Provide the employee(s) with the opportunity to have union representation and provide 24 hours notice of any meeting that may involve possible disciplinary action
- Provide the employee(s) with a brief outline of the nature of the meeting (i.e. to discuss a parent(s)/caregiver(s) complaint). It is strongly recommended however, the Administrator(s)/immediate Supervisor(s) does not engage in a discussion regarding the content of the meeting itself
- The Administrator(s)/immediate Supervisor(s) must have another administrator, Superintendent or Human Resources personnel accompany them to the meeting
- The meeting serves as a basis for discussion, clarification and validation of the concerns and/or expectations. Because new information may be presented at the meeting, it is important that the disciplinary letter not be drafted until after the meeting has occurred. At the conclusion of the meeting, if the Administrator(s)/immediate Supervisor(s) is considering disciplinary action, the employee(s) must be informed of this and that a letter of confirmation will be forthcoming
- At the meeting, the Administrator(s)/immediate Supervisor(s) must be very clear regarding:
 - The nature and seriousness of the concern
 - Reference to the date(s) on which previous discussion(s) occurred regarding the same behaviour and that adequate improvement has not occurred
 - Why the behaviour is a concern
 - What the expectations are with regard to behaviour
 - Improvement is required, and the time frame involved
 - Further disciplinary action will be taken if improvement does not occur
- Notes taken during the meeting must be stored in a secure location and only accessible by the Administrator(s)/immediate Supervisor(s)
- Following the meeting, the Administrator(s)/immediate Supervisor(s) must involve their Superintendent, as well as the Superintendent of Human Resources, or designate, in order that consistency can be maintained
- If a disciplinary warning is given at the conclusion of the meeting, or further disciplinary action is to be taken, the Administrator(s)/immediate Supervisor(s) must prepare the letter immediately following the meeting using the sample letter format on the following page as a guide. Drafts of all completed letters must be provided to the Superintendent of Human Resources, or designate, prior to release to the employee(s)
- After the meeting, and once all the facts are known, a letter is prepared using the following format. A sample letter is on the following page.

Introduction

- Confirmation of the meeting date/time and who attended
- Identification of the event or behaviour (i.e. date/time/place)

Body of Letter

- The nature/seriousness of the concern
- Why the behaviour is a concern
- Reference to any related prior recorded disciplinary action

- What the expectations are with regard to behaviour (quote related Acts, Regulations, etc.)

Conclusion

- That this behaviour warrants discipline in the form of a written warning
- Warning that “future incidents of this nature may lead to further discipline, up to and including dismissal” Copy the letter to the “Human Resources File” and send a photocopy of the letter, on letterhead, signed by the Administrator(s)/immediate Supervisor(s), to Human Resources for filing in the employee’s personnel file.

Depending on the nature of the infraction, an employee(s) may receive more than one written warning for the same type of behaviour. This determination is made in consultation with the appropriate Superintendent and the Superintendent of Human Resources or designate.

<Name>

<School/Address>

Dear <Name>:

This letter confirms information we discussed in our meeting held on <date>, regarding your continual lateness. This discussion occurred in the presence of your Federation representative, <name>, and <name>, Administrator(s).

The meeting was held to discuss your late arrival to school last week on March 28. As you will recall, at a meeting a month earlier, on February 6, you were disciplined and informed that your continual lateness was unacceptable and that continuation of such behaviour would result in further disciplinary action. Despite this prior recorded verbal warning, you have continued to report to work late.

As I have indicated to you, your late arrival does not allow for you to receive your students in a professional and appropriate manner. In accordance with the Board's Procedure HR103 – Duties and Expectations of Teachers and *Education Act* Regulation 298, Section 20(d), you are required to have your classroom ready for the reception of pupils at least fifteen minutes before the commencement of classes in the morning.

Since you have not changed your behaviour, this letter will serve as a formal written warning that will be placed in your personnel file in Human Resources. Future incidents of this nature may lead to further discipline, up to and including dismissal.

Yours truly,

<name>

Administrator

8.3. **Suspension**

With the exception of significant inappropriate behaviour infractions, suspensions are normally only given after the verbal and written warnings have failed to produce the necessary change in behaviour within a reasonable period of time. The suspension is to be without pay. If an Administrator(s)/immediate Supervisor(s) recommends suspension of an employee, they must contact their Superintendent and the Superintendent of Human Resources, or designate, prior to proceeding.

The Administrator(s)/immediate Supervisor(s) should proceed as follows:

- A meeting with the employee(s) would occur in accordance with Procedure 8b) i-vii
- Consult with the Superintendent of Human Resources, or designate, regarding the preparation of a letter confirming the suspension of an employee(s)
- Prepare the letter as soon as possible following the meeting
- The letter must include:
 - Confirmation of the meeting date/time and who attended
 - Identification of the event or behaviour (i.e. date/time/place)
 - Reference to all related prior recorded disciplinary action
 - That this behaviour warrants discipline in the form of a suspension
 - Date(s) of the suspension; date of return to work
 - Conditions of return to work, if any
 - Warning that “future incidents of this nature may lead to further discipline, up to and including dismissal”
- Copy the letter to “Human Resources File” and send a photocopy of the letter, on letterhead, signed by the Administrator(s)/immediate Supervisor(s), to Human Resources for filing in the employee’s personnel file
- Drafts of all letters must be approved by the Superintendent of Human Resources, or designate, prior to release to the employee
- Depending on the nature of the infraction, an employee(s) may receive more than one suspension for the same type of behaviour. This determination is made in consultation with their Superintendent and the Superintendent of Human Resources, or designate

8.3.1. **Return to Work from Suspension**

8.3.1.1. When a suspended employee(s) returns to work, the Administrator(s)/immediate Supervisor(s) will continue to supervise the employee’s behaviour and record concerns and achievements. By paying close attention, and with consistent communication, it is necessary to determine if the employee is meeting the outlined expectations or whether further corrective action will be necessary.

8.3.1.2. If further problems do arise, the Administrator(s)/immediate Supervisor(s) will:

- Immediately discuss them with the employee and document them properly
- Make suggestions regarding improvements
- Show this documentation to the employee(s) (with the union representative present) to demonstrate the nature of the difficulties as well as the continuing concerns

8.3.1.3. It is recommended that the Administrator(s)/immediate Supervisor(s) work with the employee(s) to develop a Behavioural Improvement Plan, where appropriate, with clear expectations for behavioural change and a realistic timeline. Refer to Appendix

D for a template to assist with the creation of a Plan.

8.3.1.4. A Behavioural Improvement Plan should include:

- An opportunity for employee(s) input and consultation
- An outline of the behavioural expectations
- Available resources
- Clear timelines and rationale
- Schedule of specific date(s) for follow-up meeting(s)
- Statement that if further issues arise before that date, the situation will be reviewed, and necessary steps taken at that time
- Signature of the employee(s) receiving the plan
- The plan will be retained in the employee's personnel file

8.3.2. **Final Written Warning**

8.3.2.1. This step must be conducted in partnership and with the direction of the appropriate Superintendent and the Superintendent of Human Resources or designate.

8.3.2.2. This final written warning reiterates the steps which have been taken to assist the employee(s) and what they must achieve in order to avoid further discipline. The employee(s) should be advised that failure to achieve these requirements will result in their immediate dismissal for cause. The letter is delivered to the employee(s) by the Administrator(s)/immediate Supervisor(s).

8.3.3. **Termination**

8.3.3.1. If the progressive discipline process has not been successful in correcting the behaviour of an employee(s), the Administrator(s)/immediate Supervisor(s) may recommend to their Superintendent that the employee(s) be terminated. In turn, the Superintendent shall inform the Superintendent of Human Resources, or designate, of this recommendation immediately.

8.3.3.2. The termination of an employee(s) must be considered very carefully. If the termination is with cause, a review must occur to ensure that all the necessary steps were taken and that the employee was given time to improve. Legal counsel may be consulted to assist with this review. It is important that the process reflects that:

- The employee(s) knew what was expected
- The employee(s) was informed verbally and in writing of the concerns/issues
- Specific examples, guidelines and corrective plans were provided to assist the employee(s)
- The employee(s) did not sufficiently remedy the problem(s)
- The employee(s) received a final warning that their employment was at risk
- The employee(s) ignored or continued to fail to meet job requirements
- The termination is justified

Roles and Responsibilities

Grand Erie

School Boards provide direction to their schools to promote student achievement and well-being and to ensure accountability in the education system. It is the responsibility of school boards to:

- Develop policies that set out how their schools will implement and enforce the provincial Code of Conduct and all other rules that they develop that are related to the provincial standards that promote and support respect, civility, responsible citizenship, and safety
- Establish a process that clearly communicates the provincial Code of Conduct and school board codes of conduct to all parent(s)/caregiver(s), students, Administrators, teachers other school employees and members of the school community in order to obtain their commitment and support
- Review these policies regularly with those listed above and revise them as necessary
- Seek input from school councils as well as from the board's parent/caregiver involvement committee, Special Education Advisory Committee and Indigenous Education Advisory Council
- Develop effective intervention strategies and respond to all infractions related to the standards for respect, civility, responsible citizenship, and safety
- Provide opportunities for all of the employees to acquire the knowledge, skills, and attitudes necessary to promote student achievement and well-being in a safe, inclusive and accepting learning environment

Wherever possible, boards should collaborate to provide coordinated prevention and intervention programs and services and should endeavour to share effective practices.

Administrators

Under the direction of their school boards, principals take a leadership role in the daily operation of a school. They provide this leadership by:

- Demonstrating care for the school community and a commitment to student achievement and well-being in a safe, inclusive and accepting learning environment
- Holding everyone under their authority accountable for their own behaviour and actions
- Empowering students to be positive leaders in their school and community
- Communicating regularly and meaningfully with all members of their school community

Teachers and Other School Employees

Under the leadership of their Administrators, teachers and other school employees maintain a positive learning environment and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, teachers and other school employees uphold these high standards when they:

- Help students work to their full potential and develop their sense of self-worth
- Empower students to be positive leaders in their classroom, school, and community
- Communicate regularly and meaningfully with parent(s)/caregiver(s)
- Maintain consistent and fair standards of behaviour for all students
- Demonstrate respect for one another, all students, employees, parent(s)/caregiver(s), volunteers, and other members of the school community
- Prepare students for the full responsibilities of citizenship

Students

Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others, and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when students:

- Come to school prepared, on time, and ready to learn

- Show respect for themselves and for others, and for those in positions of authority
- Refrain from bringing anything to school that may compromise the safety of others
- Follow the established rules and take responsibility for their own actions

Parent(s)/Caregiver(s)

Parent(s)/caregiver(s) play an important role in the education of their children and can support the efforts of school employees in maintaining a safe, inclusive, accepting and respectful learning environment for all students. Parent(s)/caregiver(s) fulfil their role when they:

- Are engaged in their child's schoolwork and progress
- Communicate regularly with the school
- Help their child be appropriately dressed, and prepared for school
- Ensure that their child attends school regularly and on time
- Promptly report to the school their child's absence or late arrival
- Become familiar with the provincial Code of Conduct, the board's code of conduct, and if applicable, the school code of conduct
- Encourage and assist their child in following the rules of behaviour
- Assist school employees in dealing with disciplinary issues involving their child

Community Partners

Through outreach, existing partnerships may be enhanced and new partnerships with community-based service providers and members of the community (e.g., Elders, Senators, Knowledge keepers) may also be created. Community based service providers are resources that boards can use to deliver prevention or intervention programs. Protocols are effective ways of establishing linkages between boards and community-based service providers and formalizing the relationship between them. These partnerships must respect all applicable collective agreements.

Police

The police play an essential role in making our schools and communities safer. The police investigate incidents in accordance with the protocol developed with the local school board. These protocols are based on the Provincial Model for a Local Police/School Board protocol, 2015, developed by the Ministry of Community Safety and Correctional Services and the Ministry of Education.

Appendix B

- Avoid leading questions; ask open-ended, non-judgmental questions
- Determine whether it is a first-hand account
- Determine any history or events that may have precipitated the current event
- Ask who witnessed the incident
- Determine any mitigating factors
- Indicate that an additional follow-up interview may be required, if applicable

4.0 Taking Notes

- Notes must be dated and should indicate the source of information and the name of the recorder
- Keep language clear; avoid opinions and/or jargon
- Set out events in chronological order
- Complete in neat, professional manner as notes may become evidence in an arbitration
- All notes taken must be stored in a secure location for a minimum of two years and only accessible by the Administrator(s)/immediate Supervisor(s)

5.0 Reaching a Conclusion

- Seek assistance from your Superintendent and the Superintendent of Human Resources, or designate
- Make a decision about the investigation (you may need to remove the employee from their worksite with pay pending further investigation). Each case must be assessed individually to determine the severity and the stage at which the discipline will be initiated
- Make sure a complete and thorough investigation has been conducted
- Be certain who has the authority to consequence the action
