

Grief Support for Children & Youth

THE BURGER BOX

A customizable book & activity box
to support children & youth through their grief.

These boxes are targeted for ages 3-17. Let us know what your needs are, and we will create for you a **custom BURGER BOX** available for pick-up.

All boxes are **free of charge** due to a generous donation from our community. However donations are welcomed to pay it forward to the next family in need of support.
