

November 2026

We are excited to once again welcome schools to our Farm Gate to Dinner Plate Spring Program for 2027.

This is a **no-charge**, full day program targeted at grades 3 & 4. It is an opportunity for students to learn about agriculture from area farmers and producers….where their food comes from, how animals are looked after, the difference between vegetables and fruit, and so much more. There will be live animals, hands-on activities and an opportunity to talk to farmers. Each student will rotate through all 10 presentation sites.

You have 3 days to choose from - April 13, April 14 or April 15, 2027

Register early to avoid missing out. Space is limited to 300 students per day.
