Shekoh – Sgeno – Shekholi – Cwen -KweKwe - Shekoh sewakwekoh – Hello Everyone

I am very pleased to share all this information about my activities as your Trustee and Six Nations students and staff in Grand Erie Schools during the 2023-24 school year.

During this school year, over 400 Six Nations students registered with Grand Erie. While most attended McKinnon Park, Hagersville Secondary, Brantford Collegiate, and Pauline Johnson, a few attended Cayuga Secondary and Tollgate. We are pleased to inform you that we have had numerous graduates. Congratulations to these students and their families!

In this document, we share with you a summary of the education program and statistics for this school year. Together, we build a culture of learning, well-being, and belonging that inspires each learner.

Leadership

In June 2024, a number of our Six Nations ESA staff either retired or moved on to other positions in education. We wish them well and give them a “Niawehkawah” for their work with our Six Nations Grand Erie students over the years. In September 2024, a number of new Education Services Agreement staff will be welcomed.

At the Board Table

The Board Leadership, both in Governance and Operations, has been very supportive and proactive in working with Six Nations students under the Education Services Agreement. Throughout this document, you will see the work that has been carried out to ensure that Six Nations students are learning and feel a sense of well-being and belonging.

The following is the Land Acknowledgement that is read aloud at every Board and Committee meeting within Grand Erie:

“Grand Erie District School Board recognizes Six Nations of the Grand River and Mississaugas of the Credit First Nation, as the longstanding peoples of this territory. We honour, recognize, and respect these communities and all First Nations, Métis and Inuit Peoples who reside within the Grand Erie District School Board. We are all

stewards of these lands and waters where we now gather, learn and play, and commit to working together in the spirit of Reconciliation.”

This Land Acknowledgement is not just words, but every effort is made to ensure that Six Nations (and the Mississaugas of the Credit) are honoured, recognized and respected at the board table, among the Senior Staff and the school staff.

Beyond Grand Erie

The Grand Erie Board of Trustees has elected me as their representative on the Ontario Public School Boards Association Board of Directors. In the last few years, OPSBA, working with the Onkwehonwe (Indigenous) trustees, has created the Indigenous Trustees Council (ITC), which has developed a significant voice in First Nations education in Ontario. ITC members have elected me as Vice-Chair again this year.

ITC has a voice and participation in a wide range of OPSBA areas such as education programming and policy, agenda development for the province-wide Public Education Symposium in January, the Labour Relations Symposium in the Spring and the Annual General Meeting in June.

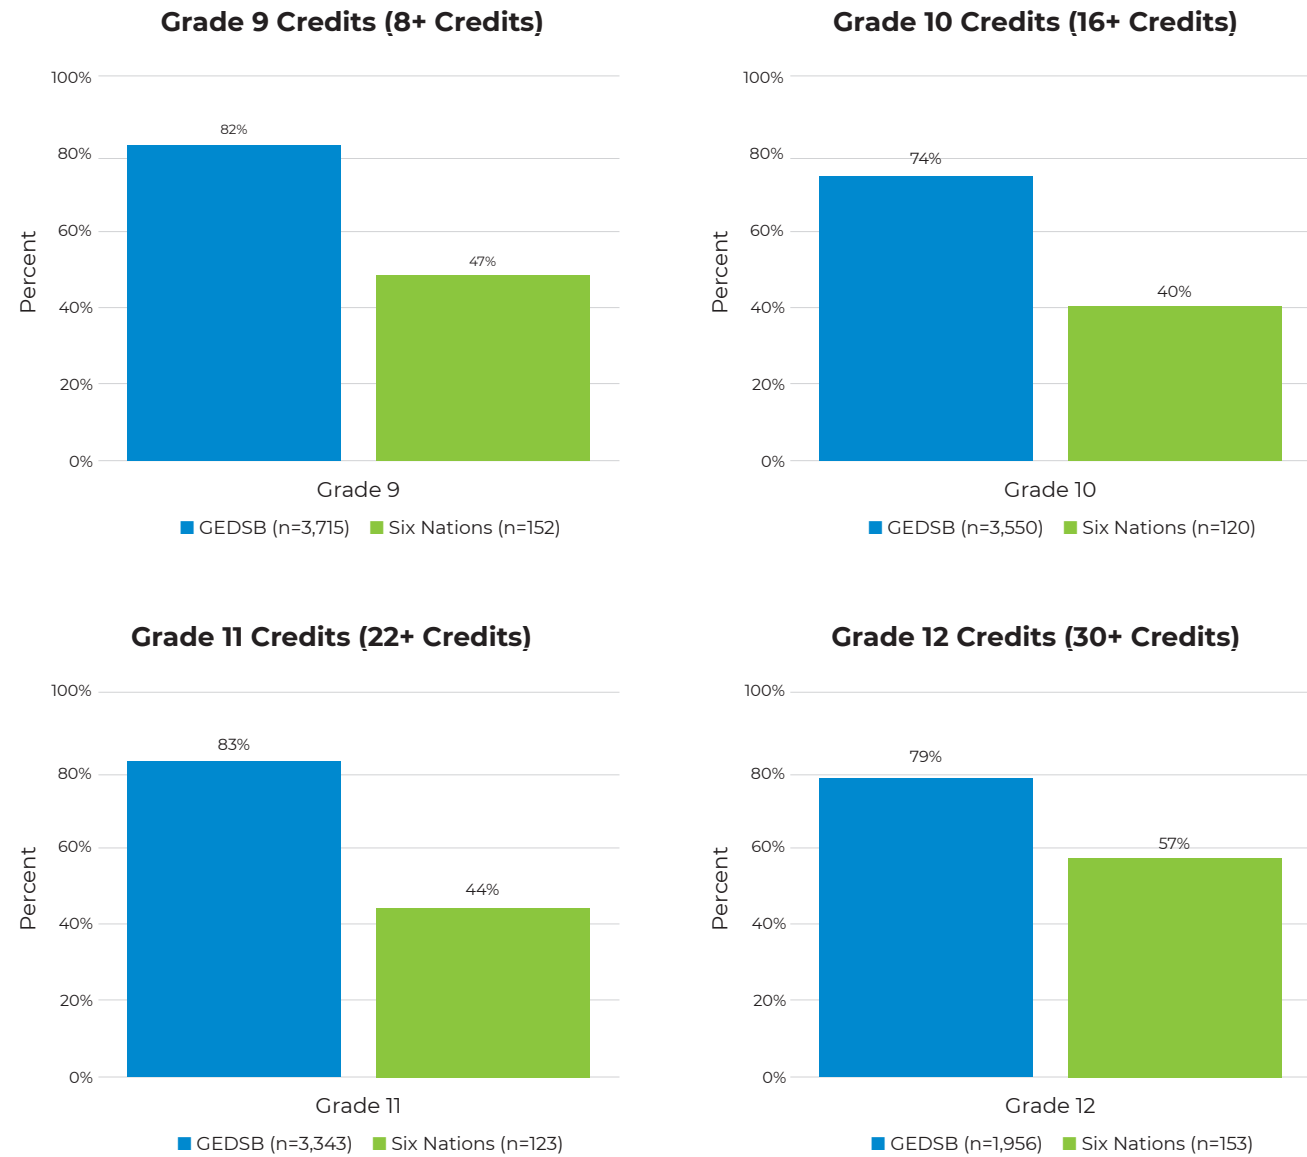

In the Spring and Fall of 2024, Grand Erie secondary schools will hold graduation ceremonies. I congratulate all Six Nations students who will walk across the various stages to receive their diplomas—well done!

As your Trustee, as a parent, grandparent and former teacher of Six Nations students, I also wish to say NIAWEH to the parents and families of 2023-24 graduates.

Niawenkawah.

Epic Jobs

Grade 8 Students from both Grand Erie and the Federal Schools at Six Nations who would be attending the same secondary school were partnered together to connect online and learn from each other. The goal was to make connections to lower anxiety related to the transition. Prior to meeting in person, the Grand Erie Indigenous Education Team planned online activities for both classes to complete and share together to start to build a sense of community and belonging. A day was planned by the Student Success Team to have all these students meet in person and have a Grand Erie secondary school leadership class engage the students in team-building games. They also shared lunch together. Following this morning event students were bused to The Wayne Gretzky Centre to take part in Epic Jobs. Epic Jobs is an interactive event for students that introduces them to the skilled trades.

Grade 7 Right Fit Activity

Grade 7 students from Six Nations Federal schools, Everlasting Tree School and Kawennio Private School attended the Gathering Place to figure out which Grand Erie Secondary School was the “Right Fit” for them. Students participated in a blind quiz based off their interests to find out which secondary school would best suit their interests and skills. Students then got to meet with the Big Six Grand Erie schools, they met their Native Guidance Counsellors, the Cultural Mentor Grad Coaches and obtained relevant information to each secondary school. Students enjoyed lunch together and were able to ask questions and network with the secondary school supports, hoping to ease their transition into secondary school.

Grade 8 Registration Night Support

This year we hosted two nights in community, one at JC Hill and one at the Iroquois Lacrosse Arena. These two events were to support Six Nations families register their student for the high school of their choice and an opportunity to ask questions from Grand Erie staff.
