

What is a Specialist High Skills Major (SHSM)?

An SHSM is a program offered in Grade 11 and 12 to students in all four pathways. The program enables students to focus their high school education on their career interests. Students who complete their SHSM will graduate with a specialized high school Diploma that is sector recognized

What does an SHSM look like?

A SHSM is a bundle of up to 10 credits in Grade 11 and 12 that include two Experiential Learning (Co-op) credits

What do you get by taking an SHSM?

- Sector-recognized certifications and training
- Real workplace experience
- Learning experiences connected with post-secondary opportunities
- Skills and work habits required for future employment success

Specialist High Skills Major

The Transportation Program, Automotive Service Focus

Simcoe Composite School

The Transportation SHSM provides students with a strong foundation for a wide variety of careers in the transportation sector, from those focusing on the service, repair, and modification of vehicles and vehicle systems to those related to the organization and management of transportation services and mass-transit systems.

"The SHSM program gives students an advantage in the future when pursuing a trade career because of the extra training they gain in high school." - Brandon Gee

Benefits of the Transportation Program:

- Customize their secondary school education to suit their interests and talents
- Develop specialized knowledge and skills
- Earn credits that post-secondary educational institutions and the sector recognize
- Gain sector-recognized certification and career-relevant training
- Develop Essential Skills and work habits documented through the Ontario Skills Passport
