As we move through a busy and exciting fall season at Jarvis Public School, we are proud of the many accomplishments of our students both in and out of the classroom. Our athletic teams have represented JPS with tremendous skill, sportsmanship, and school spirit. Congratulations to both our Junior and Intermediate soccer teams for advancing to the CAGE Championships, and well done to our cross-country runners for their outstanding performances throughout the season. We are especially proud that numerous runners qualified for CAGE, showcasing their hard work, perseverance, and dedication.

Beyond athletics, students have enjoyed a variety of engaging learning opportunities and extracurricular experiences. Our Kindergarten students had a wonderful day at Brantwood Farms, while several classes participated in enriching trips to Taquanyah Nature Centre, connecting classroom learning with hands-on experiences in the natural environment. We have also been pleased to see students participating in Colour House activities, which continue to build school spirit, encourage teamwork, and strengthen connections across grade levels.

A special thank you goes out to our Parent Council and school community for supporting our first fundraiser of the year through Macgregor's Meats. The fundraiser was a great success and will help support student opportunities and initiatives throughout the year. We would also like to recognize our lunch monitors, who recently completed training and play an important role in helping create a safe, positive, and respectful environment for all students during the school day.

As we look ahead to November, there is much to anticipate. Volleyball season is set to begin, and we look forward to cheering on our student-athletes as they represent our school. We will also come together as a school community to commemorate Remembrance Day and reflect on the sacrifices made by those who have served our country. Parent/Teacher interviews will provide an important opportunity to celebrate student growth and discuss learning goals for the months ahead. Thank you for your continued support as we work together to make Jarvis Public School a wonderful place to learn, grow, and succeed.

Attendance

Attendance is now done solely through the SafeArrival system with the school messenger app or phone number. Any day during the school year that your child will be late or absent, you will need to confirm that absence in advance using the SafeArrival system. There are three options:

1. Call the toll-free number **1-833-557-9420** to report an absence using the automated phone system
2. Use the SafeArrival website, https://go.schoolmessenger.com. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
3. Using your mobile device, download and install the **SchoolMessenger app** from the Apple App Store or the Google Play Store (or from the links at https://go.schoolmessenger.com). The first time you use the app, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.

You are welcome to also let your child's teacher know if they will be late or absent - but unless their absence is confirmed through SafeArrivals as well, you will still be contacted.

Picture Retake Day is on Thursday November 5th.
