(no school)

March 22: Spirit Wear
orders due

March 24: School Council
meeting, 6:00pm

Message from the Principals

As we head into March, we are hopeful that the worst of winter weather is behind us! After several weather-related school closures this season, it's nice to start seeing signs of spring and the longer, brighter days ahead. Warmer weather also means more opportunities for outdoor learning, recess fun, and renewed energy in our classrooms.

We are also looking forward to March Break, which takes place March 16th-20th. We hope it will be a wonderful opportunity for students and families to rest, recharge, and enjoy time together before we return for the busy spring months of learning ahead.

At school, we continue to focus on our COBRAS values - showing kindness, responsibility, perseverance, and pride in our school community. It has been wonderful to see students demonstrating these values through positive choices, school spirit, and a strong commitment to their learning. Our staff remain dedicated to supporting both the academic growth and well-being of every student.

Thank you, as always, for your ongoing partnership and support. We are proud of our COBRAS and look forward to a fantastic month together!

Warmly,

Mrs. Stephanie Slaman
Principal

&

Mrs. Denise Horne
Vice Principal

Spirit Wear

Back due to popular demand...show your COBRAS pride with school spirit wear!

Check out the options at www.schooltee.com and use access code: **KIGE.BRA**. The online store will be open until 9:00am on **March 22**. Orders will be delivered to the school in early April.

We can't wait to see our Cobras showing their school spirit!

Rotary Brantford Classic Run

We are excited to share that King George School will be participating in the Rotary Brantford Classic Run again this year, taking place on **Sunday, June 7, 2026**. We would love for our students and families to join our school team!

This annual community event raises funds for children and youth in our area, with a goal of raising over \$45,000 this year. It's a wonderful opportunity for students to stay active, show school spirit, and support a great cause.

All registration is completed online through RaceRoster via the event website: www.rotaryclassic.ca (There are no paper registration forms.)

Anyone interested in participating as part of our school team, please register for our King George team through Race Roster as soon as possible, and begin collecting pledges. When you are registering, there will be an option to select "add to an existing team". Please select "school team" and then scroll to find King George.

We hope many of our students/families will join us for this fun and meaningful community event!

Please see the attached letter for additional information, or reach out to Mr. Medcalf at christopher.medcalf@granderie.ca.

Celebrating our Cobra Athletes

We are proud of our COBRAS athletes and the school spirit they continue to show! In February, our Intermediate Girls and Boys Basketball teams represented our school at the basketball tournament and demonstrated great teamwork, determination, and sportsmanship.

This month, we look forward to cheering on our Junior Basketball team as they compete and represent our school. We are also excited that badminton season is just around the corner this spring, giving more students the opportunity to get involved in school athletics.

Thank you to our dedicated coaches and enthusiastic athletes who help make COBRAS sports such a positive and exciting part of our school community!

School Council

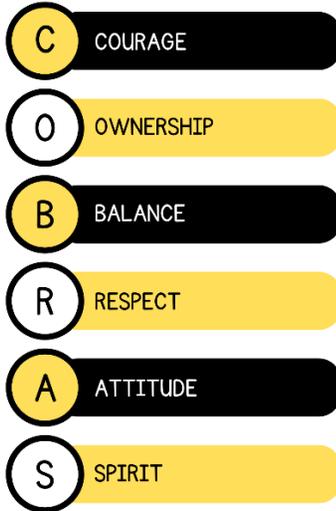

Our School Council continues to play an important role in supporting our school community, and we are grateful for the time and energy our parent volunteers contribute.

We are looking forward to our **Banana Bread Making Night on March 5**, which promises to be a fun evening of baking and community building. Please register on School Cash Online.

Our next School Council meeting will take place on March 24, and all parents and caregivers are welcome to attend. Meetings are a great way to stay informed about what's happening at the school and to share ideas that support our students. We always welcome new voices and perspectives!

AT KING GEORGE SCHOOL,
WE VALUE:

COBRAS Values

We recently wrapped up our focus on **B = Balance**, celebrating the ways our students are learning to balance school, play, and personal well-being. It was wonderful to see students practicing healthy routines, managing responsibilities, and supporting one another in finding balance every day.

This month, we are shifting our focus to **R = Respect**. Students will be exploring what it means to show respect to themselves, their peers, staff, and our school community. We encourage families to talk with students at home about respectful actions, words, and choices—helping to reinforce these important values both in and out of school.

Our COBRAS values continue to guide our school community, helping students grow academically, socially, and emotionally.

Winter Walk Week

Thank you to all the students, staff, and families who took part in Winter Walk Week. Our February 3 outdoor event was a big success, with hot chocolate, fun activities, and lots of great ideas shared about making walking to school safer and more enjoyable. Students and families voted for their favourite walking ideas, with Group Walking and Walk-A-Block receiving the most support. Winter Walk Week may be over, but we encourage everyone to keep enjoying the benefits of winter walking.

Spring Reminders

As the weather begins to warm and the snow melts, we want to remind families to send students to school with appropriate outdoor clothing for changing conditions - jackets, boots, hats, and gloves are still important some days.

Please also ensure students have indoor shoes to keep our classrooms clean and safe. Dressing in layers is a great way to stay comfortable as temperatures fluctuate throughout the day.

Thank you for helping our COBRAS stay ready to learn and play, rain or shine!
