

MAPLEVIEW MUSTANGS

October Newsletter

From the Principal's Desk

Thank you to everyone that contributed to our Terry Fox fundraiser. Together we

raised over \$2100 dollars for cancer research.

For Halloween this year, students may dress in either a Halloween costume or black and orange to mark the occasion. For students that choose to wear costumes they should arrive at school already dressed-up. Costumes **must not include masks**, excessive make-up or face

paint, toy weapons and blood or guts. A change of clothes is highly recommended as students will be participating in regular school activities during the day. Weather permitting we will have an outdoor parade shortly after our arrival and attendance is taken. Specific details will be shared as the day approaches. If you are sending treats to the school please remember home baked

goods should not be shared with classmates, items must be nut free and individually packaged items are best.

As part of our regular emergency procedures we are required to have 3 fire drills in the fall and 3 in the spring. In some cases the fire alarm can be upsetting to students. As we approach our first fire drill of the

year in early October please talk to your children about fire drills and what they can expect.

This week Mapleview will be launching a Fresh From the Farm fundraiser. All money generated will be used to support our snack pro-

gram. Watch for more info coming home

Have a great long weekend and a Happy Thanksgiving.
