## Good Afternoon Grand Erie Families,

This is Brenda Blancher, Director of Education, with an important message about our back-to-school planning in the fall.

As I shared with you last week, the Minister of Education has asked all school boards in Ontario to prepare for three options for the start of the 2020-21 school year. The three options include: the continuation of learning at home; a return to in-school instruction with enhanced health and safety protocols; and, an adaptive learning model that features a combination of learning at home and in-school instruction with limited class sizes and alternating days or weeks.

As we develop our plans for the fall, we need your input. Between now and July 1<sup>st</sup>, we're asking for feedback through a survey, which can be found here: <https://bit.ly/3evLTO9>. The purpose of the survey is to gather information from Grand Erie families about their perspectives on the three options for learning this fall.

I encourage all families to take part in the survey. You can also email your feedback to us at [info@granderie.ca](mailto:info@granderie.ca)

Sincerely,

Director of Education
