### What is the next step after I submit my documents?

Once all documentation is received and reviewed, ***if* an interview is required to complete your registration (applicable for Gr. 10-12 students)**, we will contact you to meet with the Vice Principal. Without the required documentation, your registration will not be completed.

The PDHS Registration/Timetable pick up day is usually held in late-August. The Main Office will notify families over the summer with details.

### Busing Information

[Student Transportation Services Brantford Haldimand Norfolk](#) (STSBHN) will post bus routes/times in mid August. Create a parent account on their [website](#). Once your request is approved by STSBHN in mid-August, add the student to your account for route info. Students cannot be added before August or if the request has been declined. Use the student's Ontario Education Number (OEN) as the student number on the STSBHN site. The OEN can be found on the student's report card. All decisions are made solely by the busing company. Any concerns or disputes must go to STSBHN 519-751-7532.
