Paris Central is a Small School With a Big Heart

November and December have been two months of giving for Paris Central School. Thanks to the generosity of the students and their families, Paris Central collected over 1100 food items for the Paris Christmas Hamper program. Students and staff supported the library by purchasing \$1,300 worth of books from our Scholastic Book Fair. Our share of the proceeds will buy new books for our library. The students and staff also donated gifts for MiraBE. Mira Dunsmore was a Paris Central student who passed away two years ago. Paris Central is truly a small school with a big heart.

Inclement Weather——WE ARE ZONE 3

Families can now track if their bus route is experiencing a delay or has been cancelled? Individuals who subscribe to track a bus will be emailed a notification if their bus route is delayed due to a regular service issue or if the route has been delayed or cancelled as a result of inclement weather. To subscribe and track their child's school bus, a parent/guardian needs to access <https://transinfobhn.ca/StudentLogin.aspx>, and add their email in the space provided.

Kindergarten Registration will take place January 24-27

Our Kindergarten program helps students get off to the best possible start. Your child will be challenged and encouraged to do his or her very best. Our caring teachers are with them every step of the way!

Children eligible for Junior Kindergarten must be 4 years old by December 31, 2017.

We will be registering students from **January 24th to 27th**. Please call the school (519 442-4163) for an appointment. If you are unavailable on these dates, other arrangements will be made to suit your schedule.
