Online Payment System is Now Available

Waterford District High School is excited to introduce School Cash Online. This is an online payment system that allows you to pay for your children(s) day-to-day school expenses such as school activities, field trips and sport events, etc. There will be however, some expenses that will not be offered for online payment due to their complex nature – some fundraising projects, etc. These would continue to be sent home as we have in the past, with a letter requesting payment by cash or cheque. We are hoping that we will not have too many of these as once you start online payments with the school, you will find how convenient payment will be.

We are hoping that you find this new way of payment for school items to be convenient.

It is important to register as soon as possible as there are two payment options available to you. Each option takes a few days to become active for payment.

Option #1 - "My Wallet" –which is like a gift card that you will transfer money to. Then you will draw down from that amount to make payment for various items. This option takes up to 7-10 business days for the money to show up in "My Wallet".

Option #2 - "Echeck" which is like writing a cheque. This option will take approx. 3-5 business days to become active.

It's a *quick, easy and secure* way to pay.

Register by following these three steps.

Step 1: Visit: www.schoolcashionline.com

Step 2: Select "Get Started Now" and follow the steps to register

Step 3: After you receive the confirmation email, please select the 'click here' option, sign in and add each of your children to your household account.

A short video tutorial is available at the following link: <http://www.kevsoftware.com/movies/ParentRegEnglish/>

There is a **Parent Help Desk** available to support you in using School Cash Online. Friendly staff are available 24/7 (365 days) and can support you with registration, password recoveries, finding their children or any check out or payment issues.
