

November 28, 2017

To Whom it may concern,

I am pleased to introduce a new scholarship opportunity being offer by KRTS Transportation Specialists Inc. (KRTS) and in partnership with Contrans Flatbed Group. for graduating students from high schools within Haldimand County.

The scholarship will be open to any graduating student who will turn 18 years of age by the September following their graduating year (for students graduating in June 2018, they would need to turn 18 by September 2018 to be eligible). Other requirements for the scholarship include a clean criminal record, spotless drivers abstract, and a valid 'G' license. Applicants will also be required to submit an essay of up to 1,000 words as to why they want to enter the trucking industry, and complete a behavioral assessment survey if chosen as a finalist. 2 reference letters will also need to be submitted with the application.

The individual selected to receive the scholarship will receive a 200 hour AZ Tractor Trailer Training program through KRTS which is valued at \$8,345. The program will include classroom training, computer based training, in-yard training, and a minimum of 50 hours one on one behind the wheel training. This program is registered through the Ministry of Advanced Education and Skills Development (MAESD), is approved by the Truck Training Schools Association of Ontario (TTSAO), and is a certified program of the Professional Truck Driver Institute (PTDI).

We are very excited to offer this opportunity to an individual graduating from one of the high schools in Haldimand County. KRTS is very involved with trying to get the younger generation into the trucking industry. This industry offers a great opportunity for a long term, sustainable career. By providing the scholarship winner with a program that is recognized industry wide, we are giving them a great starting block for the rest of their time in the industry.

Upon completion of all aspects of the program at KRTS, Contrans Flatbed Group out of Hagersville, has made a commitment to hire the individual should they continue to meet all required criteria. Although the individual will not be able to complete any cross-border transportation until the age of 21, they have several placement opportunities that will allow the scholarship winner to learn the industry from the ground up.

Enclosed with this letter, you will find scholarship applications, along with a press release. If you have any questions, or wish to meet to discuss this opportunity, feel free to contact me as I would welcome the opportunity.

Safe Driving,

Matt Richardson  
Sales & Operations Manager  
KRTS Transportations Specialists Inc. (KRTS)
