Kindergarten Registration

January is Kindergarten Registration Month!

Parents: starting Kindergarten is a big deal – for your little one, and you! There's so many new things to learn and explore. There's new routines to start, new friends to make, and new teachers to meet. We understand it's a big step, and a major milestone. But, when you're ready to let them go, we'll be here to welcome them!

Grand Erie District School Board's Kindergarten classrooms are inclusive, fun environments, committed to setting your child up for success. Kindergarten begins this fall for students aged four or five years old by December 31, 2019.
