

**MULTI-YEAR PLAN • 2016-20**

*SUCCESS* for Every Student

In 2016, Grand Erie approved a new strategic direction to guide the work that the school board is doing.

At the centre of the 2016-20  
Multi-Year Plan is  
*Success for Every Student.*

Grand Erie will achieve *Success for Every Student* through a focus on students and staff in a culture of high expectations.

The six indicators that support this goal include:

Achievement,  
Community,  
Environment,  
Equity,  
Technology and  
Well-Being.

# COMMUNITY

*We will foster and celebrate  
inclusive school communities  
to enhance the learning  
experiences of all students.*

## OUR GOALS

- Facilitate opportunities for the use of strategies to encourage and support family involvement in our schools and learning at home.
- Develop a process to formally integrate and celebrate the partners whose contributions enhance the learning experiences of our students.

# ACHIEVEMENT

*We will set high expectations  
for our students and staff.  
We will monitor, measure and  
reflect on our outcomes.*

## OUR GOALS

- Increase staff understanding of effective instruction and assessment in literacy and numeracy.
- Increase student understanding of effective learning strategies and how to use them.

# WELL-BEING

*We will create environments that are healthy and that recognize the well-being of mind, body, emotion and spirit of students and staff.*

## OUR GOALS

- Staff, students and parents will promote health and well-being and will know how to access supports when needed.
- Create and promote an enabling environment where all students can participate fully in their education.
- Accessible work sites and programs will be available to students, staff and families.

# TECHNOLOGY

*We will provide secure and reliable learning environments that will allow students and staff to use technology in an effective and seamless manner.*

## OUR GOALS

- Provide an up-to-date technology infrastructure that meets the needs of classrooms, administration and departments.
- Optimize our data systems to ensure that information is accurate, reliable and easily accessible.
- Increase staff knowledge of the technology available for teaching, learning and workplace applications.
- Develop measurements to better understand the impact of the Educational Technology Initiative on staff and student learning.

# ENVIRONMENT

*We will ensure that students  
and staff have a safe and  
welcoming environment in which  
to learn and work.*

## OUR GOALS

- Ensure continuity of services and programs.
- Improve energy and environmental conservation at all sites.
- Make the best use of the space in schools.
- Create learning spaces to reflect current teaching and learning needs.
- Build a culture of care and respect in all schools and workplaces.

# EQUITY

*We will promote practices  
that help students, families  
and staff feel safe, welcomed  
and included.*

## OUR GOALS

- Decrease the incidence of bullying among students.
- Increase the sense of belonging among students.
